suspension tuning accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede's wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to make their bike, or their kid's, handle like a pro's. Thede gives a clear account of the three forces of suspension that you must understand to make accurate assessments of your suspension's condition. He outlines testing procedures that will help you gauge how well you're improving your suspension, along with your riding. And, if you're inclined to perfect your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance. The book even provides detailed troubleshooting guides for

This book is written to help adventuresome motorcyclists buy, ride, and enjoy dual sport motorcycles, those versatile machines that are equally at home on the street and in the dirt. It is organized into four sections covering motorcycle selection, setup, riding technique, and specialized activities such as off-road touring and rallies. Several chapters include exercises designed to improve riding and impart new skills. Over 250 full-color photographs illustrate the many options for gear, clothing, and aftermarket accessories which can add comfort, safety, and convenience to any motorcycle adventure. The book also contains many references and

sources to orient enthusiasts to the sometimes overwhelming sea of information that is available. New riders will benefit from the clear explanations of dual sport gear, accessories, and techniques, while experienced riders coming to dual sport from a street riding background will find chapters covering advanced dirt riding skills, GPS navigation, and preparing for multi-day trips. Riders at all levels will gain a broader perspective of the dual sport experience, from which they can begin their journey to new motorcycle adventures.

Timeless On The Silk Road is a travel memoir based on one woman's solo motorcycle odyssey along the fabled Silk Roads of antiquity. Faced with her mortality, this is a profoundly confronting tale of life and death. An evocative journey of courage, hardship and immense beauty of landscape and culture, Heather brings to life every character she meets along the way. She pays homage to the fallen ANZACs; crosses oil-rich Azerbaijan and the Caspian Sea. In Turkmenistan and Uzbekistan, she enters the ancient world of Islam, then rides over the high snow-capped mountain passes to the lush valleys of Kyrgyzstan where the nomads take her into their yurts and their hearts. She becomes lost in the vastness of the birch forests of Kazakhstan's Altai Mountains where she is rescued by Russian mountain men.

And in China, she is repeatedly told there will soon be a new world order. Timeless On The Silk Road is essentially the story of one woman's last adventure; her one last search for meaning as she navigates the pendulum of denial and hope: depression and faith. But it is through this search that the narrative is infused with a deep spiritual power leaving the reader questioning their own mortality and leaving them with a deeper understanding of what it means for the millions globally living with HIV; for the newly diagnosed; and for those, without access to effective treatments, continue to die from AIDS. Timeless on the Silk Road is Heather's eagerly anticipated second book and follows Ubuntu: One Woman's Motorcycle Odyssey Across Africa, a travel memoir about a life-changing adventure into the soul of Africa.
