Conducting Independent Technical Assessments

An independent review can be planned and managed as a project with a three-phase life cycle: Planning and preparing for an independent review: Paraphrasing Yogi Berra, 90 percent of a

Access Free A Guide To

review is in the planning; the other 50 percent is executing the plan and delivering the findings. In this phase, we emphasize the critical importance of working with the sponsor to identify and document all relevant details of the review from start to finish.
