ZUM-Unterrichten
First all of all, it is usual to talk about "a pair of jeans" in English, but there is absolutely nothing wrong in referring to the garments as just "jeans". Note, however, that jeans is a non-count noun. You cannot refer to "one jeans" or "two jeans". If you want to count them, you have to refer to pairs of jeans.

The next time you see someone wearing a pair of Levi's® jeans, remember that these pants are a direct descendant of that first pair made back in 1873. That year, two visionary immigrants
Levi Strauss and Jacob Davis
turned denim, thread and a little metal into what has become the most popular apparel on earth.

In this vibrant and moving collection of short stories by award winning author Quaisra Shahraz, she demonstrates yet again her abilities for storyline and plot which are always gripping.The Elopement, The Discovery and A Pair of Jeans focus on the issues facing young Pakistani Muslim women as they work out how to live in a world where traditional and Western values clash. Can they create a synthesis?Miriam in A Pair of Jeans discovers that a seeming innocuous item of clothing can cause disaster while Rubiya in The Elopement and The Discovery pays the price of rejection for her past misdeed. In The Zemindar's Wife and Percharvah the reader opens a window into a world of feudal lifestyle and class consciousness that is embedded in the psyche of many of the country's inhabitants.Other stories - Escape and The City Dwellers explore the feelings of those struggling to discover the meaning of "home". The Malay Host is a contrast with an element of the mysterious. What is behind the one locked door in the old Malay house that is a tourist attraction and why is the woman of the house brandishing a piece of burning wood at the Western visitors? Long held cultural and traditional attitudes to clothes and other aspects of life in general is a dilemma for young women and their families caught up in the midst of an identity crisis. In some ways a lot has changed in British Pakistani society but this fundamental dilemma is still there and well depicted in the lives of the protagonists in these stories.

The promise of a peaceful life can be such a tease. When October struggles to keep her baby healthy, the Vandershot brothers move in'all except for Von, who is nowhere to be found. Every day that Sama tries to reach her in her dreams is another day she is driven slowly insane. October is determined to provide a good life for her daughter, despite the reaping that breaks her down a little more each day. But when Terraway twists her body and her brain, the one person she wants to keep close might just be the one who slips away forever. The tenth riveting installment in the mystery thriller series that inspired the Netflix crime drama Young Wallander. "As satisfying for its emotional depth as its suspense . . . A gripping mystery."
PEOPLE Magazine
A retired navy officer has vanished in a forest near Stockholm. Kurt Wallander is prepared to stay out of the relatively straightforward investigation"which is, after all, another detective's responsibility"but the missing man is his daughter's father-in-law. With his typical disregard for rules and regulations, Wallander is soon pursuing his own brand of dogged detective work on someone else's case. His methods are often questionable, but the results are not: he finds an extremely complex situation which may involve the secret police and ties back to Cold War espionage. Adding to Wallander's concerns are more personal troubles. Having turned sixty, and having long neglected his health, he's become convinced that his memory is failing. As he pursues this baffling case, he must come to grips not only with the facts at hand, but also with his own troubling situation.

One Son, Stefan Kalogo's first novel, explores the lives of teens in rural, Middle-of-Nowhere, Illinois. Jenna Sanders, a wall flower, has recently blossomed and attracts the attention of some of the more socially prominent young men. After an ill-fated parking adventure, her date lets it be known that she puts out. Despite her soiled reputation, Jenna still manages to land the biggest fish in the local pond, Tyler VanOpdorp. Tyler, while smitten with Jenna, keeps his distance. He has managed to cultivate a certain dignified image that he doesn't want tarnished by some loose social climber. Still, he is more than a little interested. Jenna and Tyler fall in love, or whatever it is that teens feel for one another. Both are bright, get good grades and plan on going to college. Until the inevitable happens: Jenna gets pregnant. Teen pregnancy is an all too common occurrence. Social conventions of generations ago have worn away; right and wrong are not necessarily relevant. Self-interest and personal desire are now perfectly acceptable guidelines for tackling such problems. Tyler and Jenna pursue divergent courses that each believe is best for them, with little consideration for the other. The results are disastrous. One Son begins with the line, "Western Illinois isn't what it used to be." The same could be said of anyplace else.

As editors of Books, Media, and the Internet, David Booth, Carol Jupiter, and Shelley S. Peterson present the work of colleagues from the conference iA Place for Children's Literature in the New Literacies Classrooms.
April 2008. Within these pages, teachers, librarians, and others concerned with literacy will find inspiration and strategies for melding technology and children's literature from practitioners who have found effective ways to engage young people with text, both in print and on screen. The contributors to this anthology include classroom teachers, librarians, university educators, and journalists. They speak not only to the technologically capable and media-savvy teachers but also to the curious, who seek starting points for using new technologies alongside traditional print media in their classrooms. They show how multimedia and digital technologies expand our approaches to literacy education -- and how to extend and enrich our use of stories, whatever the media, with all ages. Their articles cover a vast range of subjects arranged into 5 sections. This book provides current information, classroom examples, and anecdotes as practical tools to help teachers use digital, media, and print texts to extend students' learning. The helpful iTeaching Tools' section at the end of the book explains how to use a variety of digital tools in the classroom.

In World War II James Leasor was commissioned into the Royal Berkshire Regiment and posted to the 1st Lincolns in Burma and India, where he served for three and a half years. His experiences inspired him to write such books as Boarding Party (filmed as The Sea Wolves). He later became a feature writer and foreign correspondent at the Daily Express. Here he wrote The One that Got Away. As well as non-fiction, Leasor has written novels, including Passport to Oblivion, filmed as Where the Spies Are with David Niven

Andréa Reynolds was Claus von Bulow's mistress from 1982 to 1987, and she helped him successfully appeal his conviction of attempted murder, for which he had been sentenced to thirty-two years in prison. Von Bulow was convicted in 1982 of two counts of attempted murder of his wife, the immensely wealthy heiress Martha (Sunny) von Bulow. His wife was rich, beautiful, and American,and the case stirred up a firestorm of coverage in the tabloids and mainstream press. But Reynolds, an aristocratic married to the famous television producer Sheldon Reynolds, believed in his innocence. She defied her husband by corresponding with the convict before slipping into a passionate love affair,risking everything for von Bulow. My Claus von Bulow Affaire offers an insider's account of a controversial case that spawned two bestsellers and was made into an Oscar-winning film starring Jeremy Irons and Glenn Close. What's more, it provides a portrait of a largely vanished world, vividly depicting how rich and titled people on both sides of the Atlantic talked and thought, what they ate, how they dressed and made love, argued, and handled money.

In the last days of World War II, an American bomber sinks a German submarine in the West Indies. The crew manages to board life rafts but a squall approaches and the weather turns deadly. Weeks later, off the Florida coast, a fishing boat recovers a life raft with two dead men aboard. One of the men is the submarine's captain, Oberleutnant von Weizsacker. The fishing boat captain finds a diary in a waterproof pouch sewn into von Weizsacker's jacket. He scans a few pages but is unable to read German. The captain tosses the diary and other personal effects into a shoe box. He turns the corpses and their identification tags over to the coast guard but neglects to mention he retrieved some personal effects. Twenty-eight years later, the diary turns up at a Florida flea market.

Taken from the world he knew, Ahab finds himself in an alien world with an oddly familiar Society and tasked by his dead brother to keep that Society safe from both itself and its enemies. While adapting to married life, children and a new set of abilities and laws.
