a stolen life This morning I was so hoping that Ninja would come and walk with me, but as I head out, there is no sign of her anywhere. As I leave the house for school, I yell to Carl that I am on my way up the hill. I don't see him or hear him answer, but see that he has his van out of the garage, so he must be working on it.

It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. Their unusual behaviour sparked an investigation that led to the positive identification of Jaycee Lee Dugard, living in a tent behind Garrido's home. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the period from the time of her abduction in 1991 up until the present. In her stark, utterly honest and unflinching narrative, Jaycee opens up about what she experienced, including how she feels now, a year after being found. Garrido and his wife Nancy have since pleaded guilty to their crimes.

In the follow-up to her **#1** bestselling memoir, A Stolen Life, Jaycee Dugard tells the story of her first experiences after years in captivity: the joys that accompanied her newfound freedom and the challenges of adjusting to life on her own. When Jaycee Dugard was eleven years old, she was abducted from a school bus stop within sight of her home in South Lake Tahoe, California. She was missing for more than eighteen years, held captive by Philip and Nancy Garrido, and gave birth to two daughters during her imprisonment. In A Stolen Life Jaycee told the story of her life from her abduction in 1991 through her reappearance in 2009. Freedom: My Book of Firsts is about everything that happened next. "How do you rebuild a life?" Jaycee asks. In these pages, she describes the life she never thought she would live to see: from her first sight of her mother to her first time meeting her grownup sister, her first trip to the dentist to her daughters' first day of school, her first taste of champagne to her first hangover, her first time behind the wheel to her first speeding ticket, and her first dance at a friend's wedding to her first thoughts about the possibility of a future relationship. This raw and inspiring book will remind you that there is, as Jaycee writes, "life after something tragic happens. Somehow, I still believe that we each hold the key to our own happiness and you have to grab it where you can in whatever form it might take." Freedom is an awe-inspiring memoir about the power we all hold within ourselves.

"Written with primal intensity, touched with redeeming compassion, Rudy Wiebe--has explored our history, our roots and the secrets of our hearts with moral seriousness and great feeling." Governor General's Award for Fiction Citation, 1994 A powerful, major work of non-fiction, beautifully written, from the twice winner of the Governor General's Award for Fiction, and the great-great-granddaughter of Big Bear. This is a story about justice, and terrible injustices, a story about a murder, and a courtroom drama as compelling as any thriller as it unravels the events that put Yvonne Johnson behind bars for life, first in Kingston's Federal Prison for Women until the rot that closed it, and presently in the Okimaw Ochi Healing Lodge in the Cypress Hills. But above all it is the unforgettable true story of the life of a Native woman who has decided to speak out and break the silence, written with the redeeming compassion that marks all Rudy Wiebe's writing, and informed throughout by Yvonne Johnson's own intelligence and poetic eloquence. Characters and events spring to life with the vividness of fiction. The story is told sometimes in the first person by Rudy Wiebe, sometimes by Yvonne herself. He tracks down the details of Yvonne's early life in Butte, Montana, as a child with a double-cleft palate, unable to speak until the kindness of one man provided the necessary operations; the murder of her beloved brother while in police custody; her life of sexual abuse at the hands of another brother, grandfather and others; her escape to Canada - to Winnipeg and Wetaskiwin; the traumas of her life that led to alcoholism, and her slow descent into hell despite the love she found with her husband and three children. He reveals how she participated, with three others, in the murder of the man she believed to be a child abuser; he unravels the police story, taking us step by step, with jail-taped transcripts, through the police attempts to set one member of the group against the others in their search for a conviction - and the courtroom drama that followed. And Yvonne openly examines her life and, through her grandmother, comes to understand the legacy she has inherited from her ancestor Big Bear, having been led through pain to wisdom, she brings us with her to the point where she finds spiritual strength in passing on the lessons and understandings of her life. How the great-great-granddaughter of Big Bear reached out to the author of The Temptations of Big Bear to help her tell her story is itself an extraordinary tale. The co-authorship between one of Canada's foremost writers and the only Native woman in Canada serving life imprisonment for murder has produced a deeply moving, raw and honest book that speaks to all of us, and gives us new insight into the society we live in, while offering a deeply moving affirmation of spiritual healing.

En el verano de 1991, yo era una niña normal. Hacía cosas normales. Tenía amigos y una madre que me amaba. Era como tú. Hasta el día en que me robaron la vida. Durante dieciocho años fui una prisionera. Era un objeto que alguien usaba y abusaba. Durante dieciocho años no me permitieron decir mi propio nombre. Me hice madre y fui forzada a ser una hermana. Durante dieciocho años sobreviví una situación imposible. El 26 de agosto de 2009 reclamé mi nombre. Me llamo Jaycee Lee Dugard. No me veo como una víctima. Sobreviví. Una vida robada es mi historia, en mis propias palabras, de mi propia manera, tal y como la recuerdo. La pifa es un símbolo que representa la semilla de un comienzo nuevo para mí. Para ayudar a facilitar comienzos nuevos, con el apoyo de la terapia asistida por animales, la J A Y C. Foundation brinda apoyo y servicios para el tratamiento oportuno de familias recuperándose de un secuestro y las secuelas que dejan esas experiencias traumáticas —familias como la mía que necesitan aprender cómo sanarse. Además, J A Y C. Foundation espera facilitar la conciencia dentro de las escuelas sobre lo importante que es cuidarse el uno al otro. Nuestro lema es: "Solo pidete a ti mismo que... ite importe!".

In the vein of Know My Name and Unorthodox, debut author Elizabeth Gilpin grippingly chronicles her harrowing experience of psychological manipulation and abuse at a "therapeutic" boarding school for troubled teens, and how she was able to heal in the aftermath. At fifteen, Elizabeth was an honor student, a state-ranked swimmer and a rising soccer star, but behind closed doors, her dysfunctional family was tearing her apart. Growing angrier by the day, she began drinking to excess, missing practices, and acting out. Her parents and school counselors deemed her impossible and petulant, and decided that Elizabeth needed a school program with strict behavioral limitations. Her life was then ripped in two: the years before she was kidnapped in the middle of the night at the request of her parents, and everything that came after. Officially, Carlbrook, the institution where she was held for two years, was a therapeutic boarding school for troubled teens. In reality, it was more of a prison than a school, where children were known only by their number. The staff was a group of under-qualified and unstable counselors who practiced a perverse form of pseudo-therapy on their charges. Elizabeth was stripped of basic human rights, forced to participate in mismanaged group therapy sessions, and force fed when she wouldn't eat. In STOLEN, Elizabeth chronicles the abuse she endured, the friends she lost to suicide and addiction, and, years later, the way she was finally able to pick up the pieces.

The Case That Shocked The World In 1991, an 11-year-old-girl was abducted in broad daylight. Eighteen years later, a policewoman at UC Berkeley confronted a deranged man accompanied by two young girls. During questioning the next day, the girls' mother blurted: "I am Jaycee Lee Dugard." Her companion was identified as Phillip Craig Garrido—a convicted drug user, rapist and sexual predator. An astonishing story was about to unfold. . . The Evil That Never Should Have Happened. . . Now, award-winning author Robert Scott brings to light previously unrevealed information about Garrido's criminal past and manipulation of the legal system. With police and psychologist testimony, this book shows how Garrido managed to get out of a 50-year prison sentence—to shatter the innocence of Jaycee Lee Dugard forever. . . Includes 16 pages of photos

The memoir of Jaycee Dugard, who was kidnapped on June 10, 1991, when she was 11 years old, and was missing - held prisoner by a registered sex offender - for over 18 years before her reappearance in 2009

Then, in August 2009, a registered sex offender named Phillip Garrido appeared on the University of California, Berkeley campus alongside two young women whose unusual behavior sparked concern among campus officials and law enforcement. That visit would pave the way for shocking discovery: that Garrido was Jaycee Lee Dugard's kidnapper... Jaycee's story was revealed: For eighteen years, she had lived in an outbuilding on the Garrido property in Antioch, CA, just two hours away from her childhood home. Kept in complete isolation, she was raped by Garrido, who fathered her two daughters. When news broke of Jaycee's discovery, there was a huge outpouring of relief across the nation. But questions remain: How did the Garridos slip past authorities? And how did Jaycee endure her captivity? This is the story of a girl-next-door who was Lost and Found.
