Think all MFT exam study guides are the same? Think again! With easy to understand lessons and practice test questions designed to maximize your score, you'll be ready. You don't want to waste time - and money! - having to study all over again because you didn't get effective studying in. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the Marriage and Family Therapy exam, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the MFT Exam....and they get a variety of results. Trivium Test Preps MFT exam Study Guide provides the information, secrets, and confidence needed to get you the score you need - the first time around. Losing points on the Marriage and Family Therapy exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our MFT study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; MFT practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven - not filled with excess junk, silly attempts at humor, or confusing filler - so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.

Updated for 2021, Trivium Test Prep's unofficial, NEW MFT Licensing Exam Study Guide: Test Prep with Practice Questions for the Marriage and Family Therapy Examination isn't your typical exam prep! Because we know your time is limited, we've created a product that goes beyond what most study guides offer. With MFT Licensing Exam Study Guide, you'll benefit from a quick but total review of everything tested on the exam with current, real examples, graphics, and information. These easy to use materials give you that extra edge you need to pass the first time. AAMFT was not involved in the creation or production of this product, is not in any way affiliated with Trivium Test Prep, and does not sponsor or endorse this product. Trivium Test Prep's MFT Licensing Exam Study Guide offers: A full review of what you need to know for the MFT exam Practice questions for you to practice and improve Test tips to help you score higher Trivium Test Prep's MFT Licensing Exam Study Guide covers: MFT Models The Practice of MFT Professional Ethics ...and includes a FULL practice test! About Trivium Test Prep Trivium Test Prep is an independent test prep study guide company that produces and prints all of our books right here in the USA. Our dedicated professionals know how people think and learn, and have created our test prep products based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our study materials are specifically tailored for your

exact needs. We offer a comprehensive set of guides guaranteed to raise your score for exams from every step of your education; from high school, to college or the military, to graduate school. Let our study guides guide you along the path to the professional career of your dreams!

The 6th Edition of the FSI MFT Study Guide was updated to specifically cover the current AMFTRB Exam slated for each of the 12 testing windows in 2018 and beyond; the New 6th Edition contains the correct and accurate information about each of the Knowledge Domains that may appear on the Marriage & Family Therapy Licensing Exam. FSI's "Knowledge Domain-to-Chapter Map" shows where in the Study Guide information can be found about each domain. As FSI hears of any changes to the exam, even after you have purchased the Home Study Program or Intensive Track, we will make the new content available to you via our eStudy site at a discounted price through our eStudy Program if you have purchased either the Home Study Program, eStudy Program or Intensive Track previously. As HIPAA has begun to appear more regularly on the exam, FSI has added an easy to understand HIPAA section in this new 6th Edition, as well as a chapter on Crisis Management and the DSM-5. Used by many COAMFTE Accredited MFT programs, the Study Guide serves as both a foundations and advanced theories text that will also successfully help you pass the AMFTRB National exam upon graduation. The Study Guide is a 600+ page hardbound book which concisely organizes the information most likely to be tested by the AMFTRB. The book presents this large body of knowledge in both a summary and more detailed form, emphasizing the most important concepts needed for the exam, in a very "user friendly" format. It is designed with both recent graduates and the older, very experienced clinicians in mind. Increasingly, COAMFTE Accredited MFT Programs are using the FSI Study Guide in their Foundation Courses to meet the new national exam pass percentage requirements for maintaining accreditation.

This 2nd Edition expands significantly upon the already proven test prep method established in the study guide's initial publication. This updated 2nd Edition includes the following additional chapters: A thorough review of how to think systemically, a new chapter in domain 5 (ethics) and domain 6 (managing crisis situations), introduces the newly developed MFT Licensing Exam's Differential Diagnosis Table for a thorough/compacted review of all DSM-5 criteria, expanded chapter on research methods and techniques, as well as on multicultural practices + a 50-question practice exam! -- Provided by the publisher.

Flashcards for the Marriage and Family Therapy exam which employ the Leitner method of studying that focuses on the power of prioritization and feedback.

Much more than just a practice exam! This notable addition to MFT Licensing Exam's line of effective and efficient study aids offers the first practice exam of its kind to applicants preparing for the national licensing exam in Marriage and Family Therapy. Providing the reader with far more than just questions, this manual begins with an overview of the national exam, test-taking strategies, study techniques, and a unique section on identifying and understanding the knowledge domains measured on the licensing exam. But the reader will benefit most from the 100-question practice exam weighted to the knowledge domains measured on the actual exam while maintaining congruence in rigor and structure. As Domain 1 on the actual exam measures "The Practice of Systemic Therapy" and accounts for 23 percent of the exam, 23 questions on this practice exam fall within Domain 1's criteria-and so forth. What truly sets this practice exam apart is the following chapter providing a thorough breakdown and analysis of each question as organized by the knowledge domain to which it belongs. Readers will not only be able to score their performance on the exam, but also review which questions were marked incorrect with a provided rationale AND measure how they performed within each particular knowledge domain. And to wrap things up, the author provides an in-depth glossary of key terms and definitions that span the profession and practice of Marriage and Family Therapy. Truly, this practice exam manual stands apart from the rest. Designed to supplement MFT Licensing Exam's Independent Study Guide, applicants can take their next step in test preparations by working through this comprehensive practice exam manual. With MFT Licensing Exam, you can rest assured knowing you TRUST YOUR RESOURCES.

Everything you need to know in a condensed and structured independent study guide specifically designed to prepare you in successfully passing the National Licensing Exam in Marital and Family Therapy. This innovative approach to effective and efficient preparation is tailored to the new format of the National Exam which is now far more application based than knowledge based. As other manuals contain up to 1,200 pages of text covering the entire field of Family Therapy in great detail, this author has condensed the same information down to the bare essentials of what is needed to pass the exam. This is not meant to serve as a thorough review of everything you already learned in graduate school; instead, it will review such knowledge in ways congruent to what the exam will measure. The philosophy of this manual was to teach you how to pass the exam as opposed to reviewing the textbook. The context contains a review of each primary theory to Marriage & Family Therapy as organized by the knowledge domains stated by the Association for Marital & Family Therapy Regulatory Board. To further grasp how these theories are applied to families (keeping in line with the application-based nature of the licensing exam), the author has provided a glossary containing narratives of each approach applied to the same family vignette. To further differentiate this manual from the other available options, Part I contains an overview of the exam, test-taking strategies and study techniques to ensure that your preparations are effective and efficient. It will also move beyond theory and into the other knowledge domains covered on the exam as well as provide a thorough glossary of all key terms and primary interventions labeled by the theory in which they belong. Finally, the manual includes a Practice Exam with correct answers stated along with a rationale as to why each answer was correct or incorrect. Contents include: Part I: About the Exam, Test-Taking Strategies & Study Techniques. Part II: The History of the Field of Marriage & Family Therapy. Part III: The Theory & Practice of Marriage & Family Therapy. Part IV: Clinical Considerations & Concepts Part V: The Practice Exam Walk into test day feeling confident and prepared after completing this Independent Study Guide. An affordable and effective resource made by a Marriage & Family Therapist for Marriage & Family Therapists.

Students and social workers preparing for the social work Masters licensure exam will find an invaluable study resource in the Social Work ASWB® Masters Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the U.S., the guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Masters' " Knowledge, Skills, and Abilities " upon which the exam is based, as well as incorporates information from the DSM-5, which will be included in the exam starting in mid-2015. The guide is comprehensive yet focused on the material most likely to be included on the exam, so that students can prioritize information as they study. A self-assessment section helps readers identify their strengths and weaknesses before they tackle the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure.
