Sample. Here is a sample science fair project final report. Note: The author's teacher did not require source citations and required a different format for the bibliography. Science Buddies staff added references and reformatted the bibliography at a later date; consequently, the page and volume references are fictitious for some of the sources.

Science Fair Project Final Report

In order to discharge this responsibility with excellence and seasoned speech (Colossians 4:6), and to equip our member schools to do the same, ACSI must invest in developing public-facing resources and forming strategic relationships with those working in the area of advocacy for Christian Education and for religious liberty.
