This is where ACT hopes the Aspire will come in. (The PARCC and Smarter Balanced are other examples of tests being offered for the same purpose.) Because of this, the ACT Aspire isn't just a 10th grade test – it is designed to be given every year starting in 3rd grade all the way through 10th grade, so it can assess student growth from year to year. In that sense, Aspire is a much larger and more ambitious undertaking than the Plan or Explore.
