The Golden Gate Bridge. The impossible bridge, some call it. They say it can't be built. But Robert's father is building it. He's a skywalker--a brave, high-climbing ironworker. Robert is convinced his pop has the most important job on the crew . . . until a frightening event makes him see that it takes an entire team to accomplish the impossible. When it was completed in 1937, San Francisco's Golden Gate Bridge was hailed as an international marvel. Eve Bunting's riveting story salutes the ingenuity and courage of every person who helped raise this majestic American icon. Includes an author's note about the construction of the Golden Gate Bridge.

Yonder Mountain is a Marshall Cavendish publication.

The Kamishibai man used to ride his bicycle into town where he would tell stories to the children and sell them candy, but gradually, fewer and fewer children came running at the sound of his clappers. They were all watching their new televisions instead. Finally, only one boy remained, and he had no money for candy. Years later, the Kamishibai man and his wife made another batch of candy, and he pedaled into town to tell one more story—his own. When he comes out of
