Animal welfare - GOV.UK

Animal Welfare Act Prior to the Animal Welfare Act, animal welfare law was largely reactive and action could only be taken once an animal had suffered unnecessarily. The 2006 Act has introduced an important and new concept for pet owners and those responsible for domestic animals, e.g. breeders, those who have working animals or farm animals in England and Wales.

Animal Welfare Act | rspca.org.uk

An overview of the current European legislation concerning animal welfare is given. The legal requirements concern the housing and care of production animals (poultry, calves and swine), the transport of animals and the killing of animals (not only in slaughterhouses, but also in case of contagious animal disease outbreaks).
