the people. Socialism A political and economic theory of social organization that advocates that the means of production, distribution, and exchange should be owned or regulated by the community as a whole.

AP World History 1750-1900

Socialism/ Beginning Of ...

Socialism, social and economic doctrine that calls for public rather than private ownership or control of property and natural resources. According to the socialist view, individuals do not live or work in isolation but live in cooperation with one another. Furthermore, everything that people produce is in some sense a social product, and everyone who contributes to the production of a good is entitled to a share in it.

Examples, & Facts ...

Karl Marx German writer and economist, founded modern socialism. After the Revolution of 1848, he was exiled from Prussia, moved to Paris, and eventually settled in England.

AP World History: Ideas of Karl Marx  
Flashcards | Quizlet

Benito Mussolini was threatened by pacifism, democracy, and socialism as they opposed fascism, however he saw them as weak systems of governing. He believed that pacifism was useless because war is inevitable and pacifism associated too much with peace.
