### **Atkins Diet Plan Review: Foods, Benefits, and Risks**

Atkins® products have been tested to ensure that their impact on your blood sugar level is minimal. The majority of Atkins® products can be suitable for Phase 1, as long as you don't sacrifice the intake of foundation vegetables (12 to 15 net carb daily requirement) and count the net carbs in your daily net carb count. If you are in Induction, you have 5 to 8 grams of net carbs to use for dairy, dressings, or Atkins products.
