Hardcover

Axis of Convenience: Moscow, Beijing, and the New ...

A xis of Convenience cuts through the mythmaking and examines the Sino-Russian partnership on its own merits. It steers between the overblown interpretation of an anti-Western (particularly, anti-American) alliance and the complacent assumption that past animosities and competing agendas must always divide the two nations.

Axis of Convenience: Moscow, Beijing,
and the New ...

Axis of Convenience provides an interesting look at the political strategy of Russia and China in relation to the Far East and central Asia. Bobo Lo considers the modern Russian approach to a multivector strategy that focuses on Europe but also uses areas like the Middle East and China as part of its strategic considerations.
