Perfect for newly independent readers—discover the amazing life of one of America ’ s top ballerinas, Michaela DePrince, whose story is soon to be told in a major motion picture directed by Madonna. At the age of three, Michaela DePrince found a photo of a ballerina that changed her life. She was living in an orphanage in Sierra Leone at the time, but was soon adopted by a family and brought to America. Michaela never forgot the photo of the dancer she once saw, and quickly decided to make her dream of becoming a ballerina come true. She has been dancing ever since and is now a principal dancer in New York City and has been featured in the ballet documentary First Position, as well as Dancing with the Stars, Good Morning America, and Oprah magazine. Young readers will love learning about this inspiring ballerina in this uplifting and informative leveled reader. This Step 4 Step into Reading book is for newly independent readers who read simple sentences with confidence.

One windy day, a magazine blew down the road. I reached out and caught it. A pretty picture of a woman was on the front cover of the magazine. She wore a short pink dress that stuck out around her in a circle. She looked very happy. At the age of three, Michaela DePrince found a photo of a ballerina that changed her life. She was living in an orphanage in Sierra Leone at the time, but was soon adopted by a family and brought to America. Michaela never forgot the photo of the dancer she once saw, and decided to make her dream of becoming a ballerina come true. She has been dancing ever since, and after a spell as a principal dancer in New York, now dances for the Dutch National Ballet in Amsterdam. Beautifully and gently illustrated by Ella Okstad, Ballerina Dreams is the younger-reader edition of Michaela DePrince's highly moving memoir, Hope in a Ballet Shoe.

"Originally published in hardcover in slightly different form in the United States by Alfred A. Knopf, an imprint of Random House Children's Books, New York, in 2014"--Title page verso.

Hope in a Ballet Shoe tells the story of Michaela DePrince. Growing up in war-torn Sierra Leone, she witnessed atrocities that no child ever should. Her father was killed by rebels and her mother died of famine. Sent to an orphanage, Michaela was mistreated and saw the brutal murder of her favourite teacher. Then Michaela and her best friend are adopted by an American couple, and Michaela begins to take dance lessons. But life in the States isn't without difficulties. Unfortunately, tragedy can find its way to Michaela in America, too, and her past can feel like it's haunting her. The world of ballet is a racist one, and Michaela has to fight for a place amongst the ballet elite, hearing the words 'America's not ready for a black girl ballerina.' And yet . . . Today, Michaela DePrince is an international ballet star, dancing for The Dutch National Ballet at the age of nineteen. This is a heart-breaking, inspiring autobiography by a teenager who shows us that, beyond everything, there is always hope for a better future.

The author traces her rise from orphan in war-torn Sierra Leone to one of America's most accomplished ballerinas, discussing her adoption, training, and performances.

Beautifully illustrated and carefully adapted for a younger audience, this younger-reader edition of Michaela DePrince's memoir, Hope in a Ballet Shoe, is sure to capture your heart.

A ballerina tale with a thoroughly modern twist! Casey Quinn has got more grace in her pinkie toe than all those prissy ballet-school girls put together, even if you'd never guess it from the looks of her too-long legs and dirty high-top sneakers. It's 1959, and freckle-faced Casey lives in the red-dust countryside of South Carolina. She's a farm girl: Her family can't afford ballet lessons. But Casey's dream is to dance in New York City. And if anyone tries to stand in her way, she's going to pirouette and jeté right over them! Casey's got the grit, and Casey's got the grace: Is that enough to make it in Manhattan someday? Or might the Big Apple have something even better in mind? When she meets a visionary choreographer she calls "Miss Martha," Casey's ballerina dream takes a thoroughly, thrillingly modern twist!

Discusses what life is like in the White House and presents anecdotes about the children of presidents Lincoln, Grant, Theodore Roosevelt, Coolidge, Kennedy, and Clinton.

Three orphan girls. A pair of pink slippers. A lifetime in the spotlight. Read the classic that has captivated generations! Pauline, Petrova, and Posy love their quiet life together. They are orphans who have been raised as sisters, and when their new family needs money, the girls want to help. They decide to join the Children's Academy of Dancing and Stage Training to earn their keep. Each girl works hard following her dream. Pauline is destined for the movies. Posy is a born dancer. And Petrova? She finds she'd rather be a pilot than perform a pirouette. This beautiful children's classic is perfect for girls who love to dream about ballet, friendship, and finding their own special talents. Adult readers may remember them as the "Shoes" books from You've Got Mail!
