Mario Party DS - Book Bash (Kamek) Bash Bash Revolution

Bash Bash Revolution tells the story of a recent High School dropout whose father helps create the world's first sentient program named Bucky. Bucky, burdened with the desire to desire, can only attain its meta-desire by indirectly directing its creators into direct Bash Bash Revolution is in many ways the antithesis of 'Ready Player One'.

Bash Bash Revolution is a fascinating and timely book from author, publisher, and podcaster Douglas Lain. Don't let the cover turn you off--this is far more than a young adult novel despite its coming-of-age frame. It's set in an alternate version of the US in 2017 where nuclear war is even more imminent than it already seemed at the time.
