Our lives are in a constant state of change. We move from times of extreme confidence and accelerated performance to times of disappointment and discouragement. As the speed of life increases, we sometimes feel like we are wasting our potential on the bench rather than achieving success by flying down the ice. In this revised, updated and expanded edition, Ryan Walter explores performance using techniques he learned during 15 years in the NHL. Subjects range from mental toughness and choosing successful habits of thought to leadership and the differences between being a player, a team player and a leader.

GLOBE AND MAIL BESTSELLER Putting the old-school grease back in hockey, in the first ever written eppie! Do you have trouble sniping top corners or landing a big conny? Keep missing the net in praccy or losing all your tillys? Well boys, you might need the fundies. Canadian beauties Olly Postanin and Jacob Ardown are natural athletes, and are here to show you how to be a weapon on the ice. All the big-leaguers (like Connor McDavid and Drew Doughty, not a big deal) come to Olly and Jacob for help on hockey fundamentals (the fundies); now you can get the insider tips and tricks to become a legend yourself. With their crucie knowledge of what makes hockey the best game in the world and all the greatest chirps, there is no other book like The Fundies. This guide to dominating the sport covers everything: history, skills development, throwing folded fives, training and choosing equipment, coaching, and all the ways to get respect on and off the ice. The boys will grease you through all you need to know and, if you stay focused, you ' ll learn the essential skills necessary to dominate in the game. Throw on a bucket: you ' re about to be hit with some grade A knowledge. From blocking biscuits and tickling twine to the perfect post-goal celly to impress the scouties, The Fundies is here to teach you how hockey is supposed to be played.

They are motivators, key strategists, tough bosses, and choreographers. They can be branded as heroes, ousted as scapegoats, quietly valued as friends, and

everything in between. It's all in the job description for an NHL head coach. In *Behind the Bench*, ESPN's Craig Custance sits down for film sessions and candid conversations with some of the game's most notable modern luminaries—names like Mike Babcock, Joel Quenneville, Dan Bylsma, Todd McLellan, Ken Hitchcock, and Claude Julien—all of whom share their singular views on topics ranging from leadership secrets to on-ice game plans. Dissect some of hockey's greatest moments with the men who set the pieces in motion. Go straight to the source on what it's like to manage a dressing room full of the league's top stars or execute line changes with everything at stake. Signature games, including Stanley Cup finals, Olympic gold medal clashes, and World Championship contests—both wins and losses—are reflected upon and broken down in detail, making this essential reading for current and aspiring coaches, players, and hockey fans alike.

Filled with compelling biographical narrative, innovative analysis, historical allusion, hockey folklore, humour, heartbreak, and tragedy, *Bench Bosses* brings about a new type of hockey history book. By introducing a creative new method for evaluating coaching success, professional historian and hockey columnist Matthew DiBiase settles many a debate. His hard-hitting prose and cogent analysis covers key aspects of coaching and definitively identifies the greatest offensive and defensive coaches, expounds on the best penalty-killing or power-play coaches and delves into statistics to determine the nastiest squads on the ice. His unique assessment method determines his selection of the top fifty head coaches of all time. DiBiase's in-depth hockey research delivers a powerful, gripping and informative look at the game's best of the best. This seminal book tells the story behind the story of coaching success. It removes subjectivity and bias and provides a comprehensive overview of each coach's major career achievements and the contributions each has made to the game. With first-person research and interviews of many of the game's best-known coaches and their players, readers will get the most accurate and complete perspective of the sport and its coaching elite.

such as the power play, penalty kill, and face-offs are also featured.

The fun and easy way to coach youth hockey – no experience required! Hockey is growing in leaps and bounds around the world, but the demand for qualified coaches far outstrips availability. Moms and dads are being recruited to step in and assume the role of coach even with nothing more than feigned interest for credentials. Coaching Hockey For Dummies is ideally suited to meet these growing needs: its message is clear, the information thorough and user friendly, and it brings along a great attitude. For anyone new to coaching, Coaching Hockey For Dummies will provide an invaluable reference. Unlike other coaching books, which only cover what happens on the ice, Coaching Hockey For Dummies covers every aspect of hockey coaching, from what equipment a coach needs, to holding player-parent meetings, to the perfect drills to develop individual and team skills.

"Complete Hockey Instruction" teaches all the essential hockey skills from skating and passing to shooting, puck control, body checking, and mental training. This revised edition features two new chapters and more than 60 new drills, along with complete tips on scouting, game preparation, bench management, nutrition, and designing efficient practices.
