## Read Free Big Data IEEE Paper

The IEEE Big Data 2020 has received more than 610 full papers in the main conference and industry and government program. If you miss the submission deadline, there are still chances for you to submit your research work to the IEEE Big Data 2020 workshops and Posters. The workshop papers and posters are published in the conference proceedings.

## Publications - IEEE Big Data

Big data is a term for massive data sets having large, more varied and complex structure with the difficulties of storing, analyzing and visualizing for further processes or results. The process of research into massive amounts of data to reveal hidden patterns and secret correlations named as big data analytics.
