Blood and Guts in High School (1978) was highly controversial in its time and was even banned in West Germany and South Africa for being too pornographic, which is not entirely surprising as it is a collage novel comprised of pornographic drawings, letters, visions and poems. This, at times, makes the novel difficult to follow, especially since the main narrator is Janey Smith, a ten year old girl.

Kathy Acker was a high-wire writer. She took risks. She experimented for the sake of it. She made mistakes. She fell. She is an exhilarating, exasperating
