Sooner or later, the thirst always wins... After a thousand years, Lucian had given up any interest in the world. His only concern that night was finding his next drink, preferably from a flavoursome twenty-something with loose morals and no expectations. Then he saw her... Kate is just a girl from the country, who came to the city with her brother to find a life away from their parents' car crash. That is until the police came knocking on her door one morning and ripped her new life apart. Now she has nothing and no one, with only one on her mind... When these worlds collide, and the things that go bump in the night come calling, can they mend the rifts in their souls and give each other what they need? Blood Lust is a sizzling-hot Paranormal romance. If you like strong-willed, sassy heroines and oh-so-bad, drop-dead gorgeous Vampire heroes with lots of bite, you'll love this page turner.

The blood is everything... KEPT: Cat shifter blood is sought after to enhance spells and potions, but due to a quirk of her birth, Greta's blood is potent enough to kill for. When she learns she'll be sacrificed, Greta is forced to ally herself with Dayne, the dangerous local sorcerer, and the only person strong enough to protect her. CLAIMED: Charlee wakes in a strange bed without any memory of who she is. All she knows is that the man who claims to be a doctor and is there to help her doesn't seem to want to let her go. And maybe this is just her imagination, but does he have fangs? MATED: Jane isn't a vampire, but their blood runs through her veins, making her a target for those who resent a human being "kindred". Bloodlust is a very erotic, extremely intense love story with a difference. It is also a vampire story in the finest tradition of Anne Rice's sexy novels, but much more explicit and set in contemporary Australia. The central character of Bloodlust is a young woman called Carmilla, who is attractive, headstrong, curious, sexually aggressive and wildly independent. She is also a vampire. An invader of the normal, a loner, hungry for experience and dedicated to her search for meaning. And blood. She meets a young man, Jonathan, at a party, and they are instantly and fatally attracted to each other; they begin a wild sexual affair that will not satiate their desires, and gradually they begin to explore sexual bloodsports, eventually luring others to their house to feed their fetish and fantasy games. Or at least Jonathan thinks they are games - but even he becomes alarmed by the lengths to which Carmilla is prepared to go to satisfy her lusts...but by then his life is so entangled with hers he cannot break free from her spell... A dark, thrillingly erotic and chilling novel of sex and horror from a young writer of disturbing and powerful talents, Bloodlust is also a metaphor for the modern world. We live in an age of vampires - lusty, hungry, obsessed and isolated. Has the need for love gone underground? Do people disguise it, not admit they need it, seek it in other forms? Vampires embody society's social anxieties, particularly on the brink of a new millennium. They also at times fear life and long to die...Bloodlust explores the cruelty and primal lusts that lie just below humankind's surface respectability as well as hidden and forbidden power, life beyond the everyday, and the extraordinary within the ordinary.

A millennia-long war between two immortal races is about to come to an end. Long ago, the Vampire Elite began capturing the immortals called the Amity, attracted by their unique blood properties. Now most Amity live in underground cells, forced to serve as vampires' bloodstock. The few surviving free Amity, preparing a final strike, have declared the Amity Queen a traitor. Her execution makes possible the rise of a new Queen, her young daughter Arianna, who will inherit her mother's mystical powers. Working with the Keepers of the Key, Arianna may be able to eliminate the vampires, once and for all, from the face of the earth. The new Queen is the last hope to save her dying race, and she's ready to fight to the last drop of her blood. But the King of the Vampires has other plans. What neither expects is the passion that erupts between them.

They're beautiful and dangerous. Mysterious and merciless. One kiss can awaken a hunger that will leave you craving for all eternity... Blood on the Moon by Todd Gregory Till now Cord Logan has kept his forbidden lust hidden, but he's hoping that a trip to New Orleans with his frat brothers will give him

a chance to break free at last. And inside a crowded Bourbon Street bar, Cord meets a charismatic stranger who'll fulfill all of Cord's deepest fantasies, and transform him in ways he never could have imagined... Land of the Midnight Sun by Chase Masters When Pennsylvania farm boy Jacob Cameron stows away in a pickup truck owned by a gorgeous hired hand, he begins a journey of sensual exploration that leads to the bright lights of West Hollywood. Now, in L.A.'s seductive netherworld, Jacob will discover the heights of carnal bliss—and the terrible price of success... The Dark Heart by Sean Wolfe Kayden Ridvan's ancestry has condemned him to spend part of his life consumed by a blood lust that both repels and excites him. But a chance encounter with handsome Nathaniel unleashes an orgy of pleasure that gives Kayden everything to live for, and everything to lose... Succumb to every dark longing, every illicit temptation, in a trio of erotic vampire tales that dare to go beyond the limits of desire...
