It's not capitalism, it's
not neoliberalism - what if

Access Free Book Cover Templates Vector

it's something worse? In this radical and visionary new book, McKenzie Wark argues that information has empowered a new kind of ruling class. Through the ownership and control of information, this emergent

Access Free Book Cover Templates Vector

class dominates not only labour but capital as traditionally understood as well. And it's not just tech companies like Amazon and Google. Even Walmart and Nike can now dominate the entire production chain

Access Free Book Cover Templates Vector

through the ownership of not much more than brands, patents, copyrights, and logistical systems. While techno-utopian apologists still celebrate these innovations as an improvement on capitalism,

Access Free Book Cover Templates Vector

for workers--and the planet--it's worse. The new ruling class uses the powers of information to route around any obstacle labor and social movements put up. So how do we find a way out? Capital Is Dead offers not

Access Free Book Cover Templates Vector

only the theoretical tools
to analyze this new world,
but ways to change it.

Drawing on the writings of a
surprising range of classic
and contemporary theorists,
Wark offers an illuminating
overview of the contemporary

Access Free Book Cover Templates Vector

condition and the emerging
class forces that
control--and contest--it.

This book is written with
the IT professional in mind.
It provides a clear, concise

In the tradition of Fast
Food Nation and The
Omnivore's Dilemma, an

Access Free Book Cover Templates Vector

extraordinary investigation
into the human lives at the
heart of the American
grocery store What does it
take to run the American
supermarket? How do products
get to shelves? Who sets the
price? And who suffers the

Access Free Book Cover Templates Vector

consequences of increased
convenience and efficiency?
In this alarming exposé,
author Benjamin Lorr pulls
back the curtain on this
highly secretive industry.
Combining deep sourcing,
immersive reporting, and

Access Free Book Cover Templates Vector

compulsively readable prose,
Lorr leads a wild
investigation in which we
learn: • The secrets of
Trader Joe's success from
Trader Joe himself • Why
truckers call their job
"sharecropping on wheels" •

make this everyday miracle
continue to function. The
product of five years of
research and hundreds of
interviews across every
level of the industry, *The
