Essentials of Marketing Research: Putting Research into Practice, an exciting new practical guide by Kenneth E. Clow and Karen E. James offers a hands-on, applied approach to developing the fundamental data analysis skills necessary for making better management decisions using marketing research results. Each chapter opens by describing an actual research study related to the chapter content, with rich examples of contemporary research practices skillfully drawn from interviews with marketing research professionals and published practitioner studies. Clow and James explore the latest research techniques, including social media and other online methodologies, and they examine current statistical methods of analyzing data. With emphasis on how to interpret marketing research results and how to use those findings to make effective management decisions, the authors offer a unique learning-by-doing approach to understanding data analysis, interpreting data, and applying results to decision-making.

With changing economic and social environmental conditions and diversified consumer attitudes, national and international competition has increased among retailers. Private label brands have started to follow a dynamic structure in order to adapt themselves to developing environmental conditions. Today, private label products are often mentioned as a mechanism for reaching differentiation in the market and for helping retailers to strengthen consumer loyalty. Improving Marketing Strategies for Private Label Products is a collection of innovative research that examines how some markets are successful and what other markets can do to increase their market share in terms of private label products. It supports in the development of marketing strategies that can help make a private label product more successful. While highlighting topics including e-commerce, national branding, and consumer behavior, this book is ideally designed for marketing professionals, managers, executives, entrepreneurs, business owners, business practitioners, researchers, academicians, and students.

" - Solved Board Examination Paper 2020 - Latest Board Sample Paper - Revision Notes - Based on Latest CBSE Syllabus released on 31st March 2021 - Commonly Made Errors & Answering Tips - Most Likely Questions (AI) for 2022 Board Exams "

Consumers buy new products unconsciously seeking magical solutions to their life's problems. "Make me beautiful." "Make me manly." "Make me rich." Marketers are happy to pose as wizards, whose cornucopia of cars and cosmetics and computers can make those dreams come true. These are archetypal behaviors, deeply embedded in our psyches, awaiting the appropriate incantation from clever marketers to compel purchase. "Myth, Magic and Marketing" shows how to harness these deep-rooted motivational systems for your products. Written in a breezy unpretentious style, you'll enjoy every page!

This book proposes a theoretical framework identifying external and internal factors that influence internationalization strategy of Chinese brands and brand performance. It explores several key strategies e.g. standardization

versus adaptation, price leadership versus branding, OBM export versus OEM export, and incremental versus leap-forward internationalization model. The relationships are examined between various international marketing mix e.g. distribution channel and pricing strategies, and brand performance. Through case studies the text also analyses the internationalization of contract-based firms.

See your offering through the buyer's eyes for more effective marketing Buyer Personas is the marketer's actionable guide to learning what your buyer wants and how they make decisions. Written by the world's leading authority on buyer personas, this book provides comprehensive coverage of a compelling new way to conduct buyer studies, plus practical advice on adopting the buyer persona approach to measurably improve marketing outcomes. Readers will learn how to segment their customer base, investigate each customer type, and apply a radically more relevant process of message selection, content creation, and distribution through the channels that earn the buyers' trust. Rather than relying on generic data or guesswork to determine what the buyer wants, the buyer persona approach allows companies to ask the buyer directly and obtain more precise and actionable guidance. Buyer personas are composite pictures of the people who buy solutions, services or products, crafted through a unique type of interview with the people the marketer wants to influence. This book provides step-by-step guidance toward implementing the buyer persona approach, with the advice of an internationally-respected expert. Learn who buys what, and why Understand your buyer's goals and how you can address them Tailor your marketing activities to your buyer's expectations See the purchase through the customer's eyes A recent services industry survey reports that 52 percent of their marketers have buyer personas, and another 28 percent expect to add them within the next two years – but only 14.6 percent know how to use them. To avoid letting such a valuable tool go to waste, access the expert perspective in Buyer Personas, and craft a more relevant marketing strategy.
