The essential, “ richly researched ” * biography of Harriet Tubman, revealing a complex woman who “ led a remarkable life, one that her race, her sex, and her origins make all the more extraordinary ” (*The New York Times Book Review). Harriet Tubman is one of the giants of American history—a fearless visionary who led scores of her fellow slaves to freedom and battled courageously behind enemy lines during the Civil War. Now, in this magnificent biography, historian Kate Clifford Larson gives us a powerful, intimate, meticulously detailed portrait of Tubman and her times. Drawing from a trove of new documents and sources as well as extensive genealogical data, Larson presents Harriet Tubman as a complete human being—brilliant, shrewd, deeply religious, and passionate in her pursuit of freedom. A true American hero, Tubman was also a woman who loved, suffered, and sacrificed. Praise for Bound for the Promised Land “ [Bound for the Promised Land] appropriately reads like fiction, for Tubman ’ s exploits required such intelligence, physical stamina and pure fearlessness that only a very few would have even contemplated the feats that she actually undertook. . . . Larson captures Tubman ’ s determination and seeming imperviousness to pain and suffering, coupled with an extraordinary selflessness and caring for others. ” —The Seattle Times “ Essential for those interested in Tubman and her causes . . . Larson does an especially thorough job of . . . uncovering relevant documents, some of them long hidden by history and neglect. ” —The Plain Dealer “ Larson has captured Harriet Tubman ’ s clandestine nature . . . reading Ms. Larson made me wonder if Tubman is not, in fact, the greatest spy this country has ever produced. ” —The New York Sun

This rich novel recreates the adventure of two men crossing the plains in the 1850s. An epic story of the settlers, visionaries, large-hearted men and women, and small-time grabbers drawn west by the hope of a better life. Nothing short of superb, says the Chicago Tribune.

Bound for the Promised Land is the first extensive examination of the impact on the American religious landscape of the Great Migration—the movement from South to North and from country to city by hundreds of thousands of African Americans following World War I. In focusing on this phenomenon's religious and cultural implications, Milton C. Sernett breaks with traditional patterns of historiography that analyze the migration in terms of socioeconomic considerations. Drawing on a range of sources—interviews, government documents, church periodicals, books, pamphlets, and articles—Sernett shows how the mass migration created an institutional crisis for black religious leaders. He describes the creative tensions that resulted when the southern migrants who saw their exodus as the Second Emancipation brought their religious beliefs and practices into northern cities such as Chicago, and traces the resulting emergence of the belief that black churches ought to be more than places for "praying and preaching." Explaining how this social gospel perspective came to dominate many of the classic studies of African American religion, Bound for the Promised Land sheds new light on various components of the development of black religion, including philanthropic endeavors to "modernize" the southern black rural

church. In providing a balanced and holistic understanding of black religion in post – World War I America, Bound for the Promised Land serves to reveal the challenges presently confronting this vital component of America ' s religious mosaic.

In this New Studies in Biblical Theology volume, Oren Martin demonstrates how, within the redemptive-historical framework of God's unfolding plan, the land promise to Israel advances the place of the kingdom that was lost in Eden, anticipating the even greater land, prepared for all of God's people, that will result from the person and work of Christ.

Describes the migration of African Americans in search of the freedom denied them in their home states to such places as New York City, and Chicago's South Side

In *The Assassin's Accomplice*, historian Kate Clifford Larson tells the gripping story of Mary Surratt, a little-known participant in the plot to kill Abraham Lincoln, and the first woman ever to be executed by the federal government of the United States. Surratt, a Confederate sympathizer, ran the boarding house in Washington where the conspirators-including her rebel son, John Surratt-met to plan the assassination. When a military tribunal convicted her for her crimes and sentenced her to death, five of the nine commissioners petitioned President Andrew Johnson to show mercy

on Surratt because of her sex and age. Unmoved, Johnson refused-Surratt, he said, "kept the nest that hatched the egg." Set against the backdrop of the Civil War, *The Assassin's Accomplice* tells the intricate story of the Lincoln conspiracy through the eyes of its only female participant. Based on long-lost interviews, confessions, and court testimony, the text explores how Mary's actions defied nineteenth-century norms of femininity, piety, and motherhood, leaving her vulnerable to deadly punishment historically reserved for men. A riveting narrative account of sex, espionage, and murder cloaked in the enchantments of Southern womanhood, *The Assassin's Accomplice* offers a fresh perspective on America's most famous murder.

A thoroughly American story of struggle and final triumph, yet unique in its scope and recollection, we travel through the life of man, almost day by day, as he recounts the extraordinary adventures, sacrifices made, and personalities met along the way, toward realizing his goals. Changing times forced him to move, and he wandered from place to place before finding his promised land in America.

You never realize what the good old days are until you 're no longer living in them. In May 1943, seventeen-year-old Clint Brodsky learns this lesson the hard way when German forces invade and attack the US mainland. As Clint 's hometown of Mayfield, Ohio, is left in ruins, he is forced to overcome and adapt to this macabre new world

he once called home. Constantly questioning his own moral compass as he finds himself doing things he normally wouldn't even consider, Clint must conquer his deepest fears for the sake of his newborn baby sister, Violet, and the girl he learns to love, Hazel. Clint must grow and mature to keep the ones he loves safe, all the while dealing with the natural feelings and dilemmas an impressionable teenager is bound to have. This, coupled with his hopes of finding a better world, is what drives him. But what will happen when his own need for revenge and his instinct to survive drive him in the opposite direction?
