Vader to R2D2. Return once more to a galaxy far, far away with this sublime retelling of George Lucas ' s epic Star Wars in the style of the immortal Bard of Avon. The saga of a wise (Jedi) knight and an evil (Sith) lord, of a beautiful princess held captive and a young hero coming of age, Star Wars abounds with all the valor and villainy of Shakespeare ' s greatest plays. Authentic meter, stage directions, reimagined movie scenes and dialogue, and hidden Easter eggs throughout will entertain and impress fans of Star Wars and Shakespeare alike. Every scene and character from the film appears in the play, along with twenty woodcut-style illustrations that depict an Elizabethan version of the Star Wars galaxy. Zounds! This is the book you ' re looking for.

What accounts for Shakespeare ' s transformation from talented poet and playwright to one of the greatest writers who ever lived? In this gripping account, James Shapiro sets out to answer this question, "succeed[ing] where others have fallen short." (Boston Globe) 1599 was an epochal year for Shakespeare and England. During that year, Shakespeare wrote four of his most famous plays: Henry the Fifth, Julius Caesar, As You Like It, and, most remarkably, Hamlet; Elizabethans sent off an army to crush an Irish rebellion, weathered an Armada threat from Spain, gambled on a fledgling East India Company, and waited to see who would succeed their aging and childless queen. James Shapiro illuminates both Shakespeare ' s staggering achievement and what Elizabethans experienced in the course of 1599, bringing together the news and the intrigue of the times with a wonderful evocation of how

## Get Free Bravo Mr William Shakespeare

Shakespeare worked as an actor, businessman, and playwright. The result is an exceptionally immediate and gripping account of an inspiring moment in history.

The debate over the true author of the Shakespeare canon has raged for centuries. Astonishingly little evidence supports the traditional belief that Will Shakespeare, the actor and businessman from Stratford-upon-Avon, was the author. Legendary figures such as Mark Twain, Walt Whitman and Sigmund Freud have all expressed grave doubts that an uneducated man who apparently owned no books and never left England wrote plays and poems that consistently reflect a learned and well-traveled insider's perspective on royal courts and the ancient feudal nobility. Recent scholarship has turned to Edward de Vere, 17th Earl of Oxford-an Elizabethan court playwright known to have written in secret and who had ample means, motive and opportunity to in fact have assumed the "Shakespeare" disguise. "Shakespeare" by Another Name is the literary biography of Edward de Vere as "Shakespeare." This groundbreaking book tells the story of de Vere's action-packed life-as Renaissance man, spendthrift, courtier, wit, student, scoundrel, patron, military adventurer, and, above all, prolific ghostwriter-finding in it the background material for all of The Bard's works. Biographer Mark Anderson incorporates a wealth of new evidence, including de Vere's personal copy of the Bible (in which de Vere underlines scores of passages that are also prominent Shakespearean biblical references).

A history of the Bard's competitively pursued First Folio traces the author's travels
