Breakfast Served Anytime Sarah Combs

BREAKFAST SERVED ANYTIME is one of those books that makes me want to be a better writer. The characters are so well-drawn, and Sarah Combs's writing is absolutely gorgeous. I'm sad I have to pass it along on an ARC tour because I want to reread it before it comes out :) Absolutely recommended! flag 17 likes \u00b0 Like \u00b0 see review

Breakfast Served Anytime by Sarah Combs. Candlewick Press, 2014. Currently available. Age Level & Genre: YA contemporary realistic fiction. Face Value: This is a subtle, beautiful cover. The Egg Drop diner is a key location in the book, and the blue butterflies are part of the magic of this story. I like the cover, but it may be too subtle.
