This combination led me to browse the bookshelves in Curium's offices and saw me select ' Build it – The Rebel Playbook for World-Class Employee Engagement' for some light reading. To cut a long story short – this book is awesome! I'm genuinely surprised at how good it is, and it's changed my opinion of 'business books'.

Build It The Rebel Playbook BOOK REVIEW - Bridge Consulting Build It: The Rebel Playbook for World-Class Employee Engagement Glenn Elliott and Debra Corey SYNOPSIS According to Build It, when it comes to engaging employees, the status quo has failed The book contends that today's organizations must rebel against standard practices to build a ...

The current way of treating people at work has failed. Globally, only 30% of employees are engaged in their jobs, and in this fast-paced world that's just not enough. The world's best companies understand this, and have been quietly treating people differently for nearly two decades. Now you can learn their secrets and discover The Engagement Bridge™ model, proven to build bottom line value for companies through sustainable employee engagement. Companies with the best cultures generate stock market returns of twice the general market and enjoy half the employee turnover of their peers. Their staff innovate more, deliver better customer service and, hands-down, beat the competition. These companies outperform and disrupt their markets. They break the rules of traditional HR, they rebel against the status quo. Build it has found these rebels and the rulebreakers. From small startups to global powerhouses, this book shows that courage, commitment, and a people-centric mindset, rather than money and resources, are what you need to turn an average business into a category leader. The book follows the clear and proven Engagement Bridge™ model, developed from working with thousands of leading companies worldwide on their own employee engagement journeys. The practical model highlights the areas that leaders need to examine in order to build a highly engaged company culture and provides a framework for success. Build it is packed with tips, tools and real-life examples from employers including NASDAQ, Unilever, IBM, KPMG, 3M, and McDonald's to help you start doing this not tomorrow, but today. Readers will learn: How employee engagement helps companies perform The key factors that drive engagement, and how they work together What the world's most rebellious companies have done to break the rules of traditional HR and improve engagement How to implement The Engagement Bridge™ model to boost productivity, innovation, and better decision-making Unique in this category, Build it is written from two sharply different perspectives. Glenn Elliott is a multi-award winning Entrepreneur of the Year, CEO and growth investor.

Attract top talent and energize your workforce with a MAGNETIC CULTURE “Sheridan outlines simple but powerful steps to take in creating and maintaining an organization that fosters an environment with similar attraction.” –Marshall Goldsmith, Ph.D., international bestselling author of *MOJO* and *What Got You Here Won't Get You There* “A compelling case for and guide to the creation of a high engagement/high performance workforce.” –Douglas R. Conant, retired president and CEO, Campbell Soup Company; New York Times bestselling author of *TouchPoints* “It's impossible for any company to have a monopoly on talent. But it is possible to have the best culture. Sheridan shares insights and best practices for creating an engaging culture where associates can grow and thrive.” –Frits van Paassche n, president and CEO,

Starwood Hotels & Resorts Worldwide, Inc. “A long time ago I discovered that when employees are passionate about their work, customers are passionate about the company. Kevin Sheridan knows that secret too. His insights on finding the right people and getting them engaged can change your culture forever.” –Quint Studer, founder of Studer Group, 2010 Malcolm Baldrige National Quality Award recipient “This book is filled with practical ideas, illuminating case stories, and fresh perspectives to stir employee engagement in any organization.” –Pamela Meyer, Ph.D., author of From Workplace to Playspace: Innovating, Learning and Changing through Dynamic Engagement About the Book: The perils of a disengaged workforce are well known—low productivity, high employee turnover, and failure to meet organization-wide goals. Less well known is what to do about it. How do you create a workforce that is always ready, able, and eager to take the organization to the next level? You have to create a MAGNETIC CULTURE. As CEO of leading employee survey and HR consulting firm HR Solutions, Inc., Kevin Sheridan knows how it’s done—and in Building a Magnetic Culture, he shares all his secrets. Building a Magnetic Culture explains what engages and motivates employees and how to create an environment in which employees can thrive. Drawing on years of research and real-world examples from his consulting experience, Sheridan gives you the strategies and tactics you need to transform your company by creating and sustaining a Magnetic Culture. Providing benchmarking and best practices, as well as interviews with executives and HR professionals at companies that boast the highest levels of employee engagement, Sheridan outlines an easy-to-follow plan that: Attracts the most talented people—and retains them Makes employees feel they are part of the value that their organization creates Increases Employee Engagement and drives productivity Boosts creativity and problem solving According to HR Solutions’ own employee survey results, actively engaged employees show four times more satisfaction in their work and are four times less likely to leave than disengaged employees are. Is there a reason not to make building a Magnetic Culture your top priority? Simply put, organizations that place a high value on actively cultivating a culture of engagement stand apart from their competition and enjoy superior business results.

Achieve a fully engaged workforce What if every single employee—every single one—worked in their dream job, utilized their best talents, worked with an inspirational leader and was fully engaged in their role? For companies, this scenario leads to breakthroughs in productivity, customer service, profitability, and shareholder value. For individuals, it means better health, stronger relationships with family and friends, and greater happiness. We sketches the landscape of today's changing job environment and gives managers and individual employees alike a road map to full engagement. Anchored with specific metrics, based on studies of 2 million people, includes engagement, retention, customer loyalty, and profitability Scientific research and academic insights are translated into actionable

steps Authors have extensive experience in cutting-edge human resources solutions Achieve breakthrough results for yourself and your organization with the power of full engagement from We.

This book is a practical guide for managers to increase and support employee engagement through stronger performance management tools and techniques. In this second edition, Edward Mone and Manuel London incorporate new developments in the field, including discussion of issues about the value of challenging goals, annual formal appraisals, forced ranking, and ways to give constructive feedback. The authors expand the traditional notion of performance management to include building trust, creating conditions of empowerment, managing team learning, and maintaining ongoing straightforward communications about performance, all of which are critical to employee engagement. Case studies offer concrete examples, and checklists and surveys supply managers with ways to assess employee engagement as well as directions for increasing engagement. An up-to-date, straightforward guide, this book is appropriate for graduate students in Employee Engagement, Human Resources, and Management Studies, as well as scholars and practitioners in those fields.

Imagine if you could: - Create massive emotional commitment among all your direct reports - Turn your apathetic group into a high performance team exhibiting huge discretionary effort - Be a leader who people fight to work with - Win a "Best Place to Work" award within 12 months Indeed, you can do all that and more, and it doesn't take a lot of time or a big budget. This isn't just another ivory tower book on leadership. Employee Engagement 2.0 is the result of both massive research and real-world experience. The author, Kevin Kruse, is a former Best Place to Work winner, serial entrepreneur, and NY Times bestselling author. He has advised dozens of organizations, from Fortune 500 companies like SAP, to startups and non-profits, and even to the US Marines. This is your step-by-step guide that will teach you: - What employee engagement is (it does not mean happy or satisfied) - How engagement directly drives sales, profits, and even stock price - The secret recipe for making anyone feel engaged - How to quantify engagement, even if you have no budget - 7 questions to ask that will identify your engagement weakness - What to say to facilitate a team meeting on engagement - A communication system that ensures rapid, two-way flow of information - How to make your strategic vision memorable and "sticky" - How to implement a complete engagement plan in only 8 weeks! Being a great leader-one who drives massive passion, commitment and engagement-is within your reach. Follow the step-by-step plan in Employee Engagement 2.0 and prepare to be a great place to work.

Being a truly innovative company is more than the dreaming up of new products and services by external consultants and internal taskforces. Staying one step ahead of the competition requires you to embed

innovation into your organizational culture. Innovation needs to be embodied in everything that gets done by everyone who works there. By changing your organizational culture to one that supports innovation, you will remove the barriers that stop you responding quickly and agilely to changing market conditions and opportunities for growth. Building a Culture of Innovation presents a practical framework that you can follow to design and embed a culture of innovation in your business. The six-step Innovation Culture Change Framework offers a structured process to make change stick, from assessing your organization's innovation-readiness to leading a managed change process that will foster innovation at each level. It includes case studies from international organizations which have shifted their focus to an innovation culture, including Prudential, Qinetiq, Octopus Investments, Cisco, Siemens, BrightMove Media, Waitrose and Feefo. Supported with downloadable resources, Building a Culture of Innovation is an essential read for business leaders and change implementation teams who want to place innovation at the heart of their business strategy.

In this new edition, based on new research and double the survey data, ENGAGEMENT MAGIC provides you with an expert approach to increasing workplace engagement. Discover how to engage employees (and yourself) more effectively. Most leaders understand that engaged employees are passionate about their jobs and deliver better results, and most of us know what it's like to either be engaged or disengaged in a workplace where we spend most of our waking hours. Yet, most don't understand how engagement really works. Maylett introduces you to the five MAGIC keys of employee engagement—Meaning, Autonomy, Growth, Impact, and Connection—and discusses how leaders can help employees achieve higher levels of engagement, while engaging ourselves in the journey as well. Learn tactics for increasing engagement at all levels of your organization. Based on the most extensive employee engagement survey database of its kind, ENGAGEMENT MAGIC incorporates organizational research with updated case studies, stories, and examples to present you with practical solutions for creating an extraordinary employee experience. In addition, Maylett provides a self-assessment, thought-provoking questions, and specific applications for individuals, managers, and organizations. Benefit from a psychological approach to fundamental business concepts. Based on data from over 32 million employee survey responses across 70 countries, ENGAGEMENT MAGIC combines principles of psychology and human motivation with solid business concepts, providing actionable advice for reducing attrition, encouraging initiative, and driving profitable growth at your organization.

Give people what they CRAVE and good things happen. Overwhelming evidence supports this. In fact, more than eighty years of research prove the idea that humans have three primary cravings at work that, once fulfilled, make them happier and more productive. Yet, despite billions of dollars spent to improve

Download File PDF Build It The Rebel Playbook For World Class Employee Engagement

employee motivation, most businesses still suffer from a lack of engagement. In this book, you'll find a field-tested and science-backed pathway to improving engagement and the customer experience, including: The secret to achieving more than 90 percent employee engagement, how to invest 10 Minutes by Friday to become a better leader, and a step-by-step process to master the Ultimate Habit for accelerating business results. You have the power to make an even better place to work by showing people they matter and that what they do matters. This is best accomplished by fueling the work environment with more of what people CRAVE!
