Building Services are the electrical, plumbing, and mechanical systems in a building. For this reason they are also called MEP services, for mechanical, electrical, and plumbing. Understand HVAC Systems Understand Firefighting Systems Understand Fire Alarm Systems

Building Services - Understand Building Construction Facilities Managers are usually responsible for making sure those services are implemented and regularly maintained within the building. Ensuring the daily health, safety, and general welfare of employees is an essential part of running a successful business, but it ' s important to know the difference between which services your building requires and which may be unnecessary.
