[Building Social Business](#): Going ... - The New York Times

When the objective is to build a social business, its business model must be shifted from traditional financial profit generation towards social profit generation. This is possible where only social profit-oriented shareholders are involved in the project, but it makes the design of the business model more difficult, since it must focus not only on financial profit, but on profit for all stakeholders.

Building Social Business Models: Lessons from the Grameen ...

The concept of Social business was given by Muhammad Yunus, who essentially presented as an alternate model to capitalism. It was meant to overcome the shortcomings and failures of capitalism that focuses only on profit making and ignores or fails to address other sides of business. He created a new system where profit making and social ...

What is Social Business - Management Study Guide

Social business was defined by Nobel Peace Prize laureate Professor Muhammad Yunus and is described in his books. In these books, Yunus defined a social business as a business: Created and designed to address a social problem A non-loss, non-dividend company, i.e.

Social business - Wikipedia

With goals to achieve both social impact and financial sustainability, social enterprises look to a unique set of business models to achieve their goals. 1. Cross-Compensation  One group of customers pays

for the service. Profits from this group are used to subsidize the service for another, underserved group. 2.
