Change your Brain – Change your Life! ‘Change Your Brain - Change Your Life!’ takes a broader perspective than Nathan’s previous talks. This new discussion explores the inherent ability in everyone’s brain to be able to change the ‘wiring’ of their brain and thereby improve their level of happiness, well-being and overall quality of life. Nathan’s message is that we are not subject to the biology dictated by the brain, but rather, it’s actually an interactive process ...

Change your Brain – Change your Life! - Nathan Wallis

Therapists often charge over \$150 an hour, but you can learn how to change your brain here at your own pace, at a fraction of the cost, and go back and review these skills whenever you need! Education and training like this course don't replace professional help when it's needed, but these skills can save you hundreds of dollars in therapy costs.

Change Your Brain Waves - Powerful Way to Transform Your ...

Change programs must account for the time, space, and resources people need to get their brains wired for the future state. Mental models are hardwired too. Contradictions to a mental model can be a major energy drain on the brain. Just like behaviors, a person’s mental model, or way of thinking, is hardwired in their brain as well.

About | CHANGE YOUR BRAIN

Change Your Life!' takes a broader perspective than Nathan's previous talks. This new discussion explores the inherent ability in everyone's brain to be able to change the 'wiring' of their brain and thereby improve their level of happiness, well-being and overall quality of life. Nathan's message is that we are not subject to the biology dictated by the brain, but rather, it's actually an interactive process – the biology of the brain is also dictated by our thoughts and ...
