Russian for kids is a good example. The process of learning a language by small children is often subconscious: in Russian for kids the best way to learn Russian is to master the language through play and entertainment. Trying to teach a child with the best textbook ever and starting by explaining them the rules of Russian grammar is useless.

Soviet literature in general and Soviet children's literature in particular have often been labeled by Western and post-Soviet Russian scholars and critics as propaganda. Below the surface, however, Soviet children's literature and culture allowed its creators greater experimental and creative freedom than did the socialist realist culture for adults. This volume explores the importance of children's culture, from literature to comics to theater to film, in the formation of Soviet social identity and in connection with broader Russian culture, history, and society.

An ancient Hopi parable states "He who tells stories, rules the world." The stories which this Russian grandmother tells can be found, with many others, in a collection of "Tales and Legends of South Slavonia." Here they have been sketched with the background of Russian peasant village life as it existed in some parts of Southern Russia. Because of this, the narrator has been careful to clothe them as nearly as possible in the simple language in which they are retold to-day by many a village fireside in South Slavonia. The 50 children's stories in this volume are arranged into 24 chapters. Here you will find stories like: The Little Boy and the Grandmother, The Wolf as a Roman, The Sick Lion, Saturday Afternoon, The Fire of Shavings, The Man, the Hare, the Fox, and the Bear, The Bird, the Fox, and the Dog, A Pleasant Surprise, The Patient Little Boy, The Seven Stars, The Wonderful Story, The Bridge, The Korowai, The Basil-Plant, Steelpacha and many, many more. Just as the Hopi's of North America told their children stories to teach morals and the lessons of life, so did the Russians, the Vikings, the Greeks, the ancient Egyptians as well as the Chinese, Japanese and Zulus. In fact you will find folklore and fairy tales in every nation on earth. Without exception, all have a simple message, good always wins and the evil protagonist will lose and be, at least exiled, or worse. So download this book and make yourself comfortable with a mug full of something hot and steaming and be prepared to be entertained for hours. A compelling look at the abandoned children of Russia and the culture these orphans and homeless children develop to unite themselves in a community.

This is a book of 20 illustrated Russian folk and fairy tales retold for young people and the young at heart. The tales are a good sampling of Slavic folklore. The stories in this book are those that Russian peasants tell their children and each other. In this volume you will find the stories of Baba Yaga and the Girl with the Kind Heart, The Fool Of The World And The Flying Ship, The Cat Who Became Head-Forester, The Golden Fish, Salt, The Christening In The Village and many more. The seven colour plates and numerous black and white images make the visualisation of the characters, places and events much easier, especially for children. This is a book was compiled in far away Russia for children. Under the windows of the author's house, the wavelets of the Volkhov River beat quietly in the dusk. A gold light burns on a timber raft floating down the river. Beyond the river in the blue midsummer twilight are the broad Russian plains and the distant forests of Novgorod. Somewhere in that forest of great trees is the hut where old Peter sits at night and tells these stories to his grandchildren. In Russia hardly anybody is too old for fairy stories, and the author even heard soldiers on their way to the front during WWI were overheard to be talking of very wise and very beautiful princesses as they drank their tea by the road side. Arthur Ransome, the compiler, knew there to be many more fairy stories in mother Russia than anywhere else in the world. In this book are a few of those he liked best. NOTE: The editor and compiler spent time in Russia during World War I as a journalist for a radical British newspaper, the Daily News, meeting among others, Lenin and Trotsky and was also known in the London bohemian artistic scene.
