To answer the original question: what score do I need to pass the PE exam? - I would say that on average you need about a score of 70% to pass the PE exam. That isn't always true, but for the most part, 70% will get you a passing mark.

What Score Do I Need to Pass the PE Exam? | Civil ...

Geotechnical Depth Exam. Many engineers shy away from the geotechnical section of the exam. I'm not sure why. If you look at the Civil Engineering Reference Manual (reminder: use the discount code of CIVAC to get 15% off at ppi2pass.com) you'll notice that the geotech section is the thinnest section of material. Now, this doesn't mean that you should take this section lightly but it does ...
