Students who use their natural talents achieve the most --- but they need to know what those talents are. StrengthsQuest includes the Clifton StrengthsFinder, an online assessment that reveals students ' top five themes of talent. And StrengthsQuest also helps students make the most of those talents. Students and learners of all ages continually face the challenges of gaining direction, making decisions, and building self-confidence. Fortunately, the keys to successfully meeting these challenges — your own natural talents — already exist within you. Through these talents, you will produce your greatest achievements. Over the course of 30 years, Gallup conducted millions of psychological interviews and identified 34 themes of talent that are indicative of success. In the StrengthsQuest program, Gallup offers you the opportunity to discover talents from your top five themes and build on them to achieve academic, career, and personal excellence. More than 100,000 students have benefited from the program. Your quest starts with the Clifton StrengthsFinder, a 30-minute assessment that reveals your top five themes of talent. This online assessment is your entryway to a variety of experiences that will help you discover your greatest talents and develop strengths. You ' ll gain access to action items specific to your top themes, covering general academic life, study habits, relationships, and career. You ' ll also be challenged to think about applying your talents for success in other settings, such as on projects and teams and in leadership. StrengthsQuest was written by the late Donald O. Clifton, who was the former chairman of Gallup; coauthor of the bestseller Now, Discover Your Strengths; and recognized as the Father of Strengths-Based Psychology and the late Edward " Chip " Anderson, who taught education, psychology, and leadership at UCLA and Azusa Pacific University. Revised portions of the text were written by Laurie A. Schreiner, who has taught psychology and higher education at Azusa Pacific University and Eastern University.
