Collins First Atlas is a fun, vibrant and clear starter atlas for 4-6 year olds which provides an introduction to basic geographical and atlas vocabulary. This first atlas introduces the younger pupil to photographs and mapping of a local area. From this beginning the atlas gradually maps through regional, national, continental and world regions with global views of the wider world. Carefully selected map labels highlight certain countries or features which can be easily identified to illustrate the concept of mapping as it becomes more complex. All maps are supported with short informative sentences which use a basic geographical vocabulary.

Presents an overview of the countries of the world, explaining how to look at a map, where people live on the Earth, and major countries and regions.

Presents an atlas featuring physical, population, and climate maps of the world and of the continents.
