Founded in 1957, Chase's observes its 60th anniversary with the 2018 edition! Users will find everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "One of the most impressive reference volumes in the world."--Publishers Weekly.

A fascinating and unprecedented ethnography of animal sanctuaries in the United States In the past three decades, animal rights advocates have established everything from elephant sanctuaries in Africa to shelters that rehabilitate animals used in medical testing, to homes for farmed animals, abandoned pets, and entertainment animals that have outlived their "usefulness." Saving Animals is the first major ethnography to focus on the ethical issues animating the establishment of such places, where animals who have been mistreated or destined for slaughter are allowed to live out their lives simply being animals. Based on fieldwork at animal rescue facilities across the United States, Elan Abrell asks what

Where To Download Colorado Travel Events 2018 Calendar

“ saving, ” “ caring for, ” and “ sanctuary ” actually mean. He considers sanctuaries as laboratories where caregivers conceive and implement new models of caring for and relating to animals. He explores the ethical decision making around sanctuary efforts to unmake property-based human–animal relations by creating spaces in which humans interact with animals as autonomous subjects. Saving Animals illustrates how caregivers and animals respond by cocreating new human–animal ecologies adapted to the material and social conditions of the Anthropocene. Bridging anthropology with animal studies and political philosophy, Saving Animals asks us to imagine less harmful modes of existence in a troubled world where both animals and humans seek sanctuary.

Colorado Springs, Colorado, has long profited from Pikes Peak and built an urban infrastructure to sustain that relationship. In *Profiting from the Peak*, geographer John Harner surveys the events and socioeconomic conditions that formed the city, analyzing the built landscape to offer insight into the origins of its urban forms and spatial layout, focusing particularly on historic downtown architecture and public spaces. He examines the cultural values that have come to define the city, showing how military and other institutions, tourism, political and economic conditions, cultural movements, key individual actors, and administrative policies have created a singular urban personality. Capital accumulation has been a defining theme of Colorado Springs from its very beginning, with enormous profits generated from regional industrialization, railroads, land sales, water appropriation, and extraction of coal and gold. These conditions and its setting in the Rocky Mountain West formed a libertarian-oriented, limited governance philosophy. This persistent prioritization of liberty at the heart of Colorado Springs ’ s identity, specifically the freedom to conduct business and generate profits in a relatively unconstrained setting, has directed the urban sprawl of the built landscape and molded the region ’ s political culture. *Profiting from the Peak* will be of interest to historical and urban geographers, historians of Colorado and the American West, and anyone seeking a deeper understanding of the cultural identity of Colorado Springs.

Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "The Oxford English Dictionary of holidays."--NPR's Planet Money.

Denver is a city of incredible growth that beckons to the masses from all walks of life. From artists to outdoor enthusiasts, professionals in finance to those who live for finding their next creative outlet, this mountainside city calls out in a dramatic fashion and it ’ s hard for many to resist. A soaring population has led to a booming job market, drastic changes in housing options and an overwhelming sense that with urban sprawl has arrived endless possibilities. So, what exactly is it that makes Denver so irresistible? Whether you ’ re considering a quick trip through the city for fun or scouting for a future place to call home, Denver is made up of an ever-growing list of fantastic restaurants, shopping hubs, sporting events and cultural activities that make it one of the most unique places on the map. With a city-scape that is altering itself every day, it ’ s worth your time to capture the heart of Denver today because tomorrow is destined to bring along something entirely new. When you travel to Denver, you join up with those who are in pursuit of the best art, music and outdoor excursions the state has to offer. From exciting ski trips beyond the Front Range to a day indulging in modern art downtown, Denver is built on diverse passions and has no intention of slowing down when it comes to capitalizing on creativity. It is a city where contrast is celebrated and proudly protected. As new homes, apartments and condominiums hit the market at a breathtaking

pace, local organizations work equally hard at preserving those historic homes that make Denver unique. With groups of people committed to making progress while honoring the past, Denver is a place where you can witness the evolution of a city within the context of its very own history. This insider's guide to Denver gives you the framework for beginning your own travels through the Mile High City. Elevated, eccentric and equally progressive, Denver delivers big on potential while keeping its alluring roots firmly planted in the natural world. About the Expert Caitlyn Knuth is a lifelong writer who was inspired to put a pen to paper as a child long before spelling skills were acquired. Constantly captivated by the pictures words have the power to paint and the owner of a spirit that is always ready for the next travel adventure, she's found her muse alive and well through the process of exploring new cities and sharing what she's found with the world. After accepting a job in Denver several years ago, she made it her mission to learn as much about this very new, exciting and eccentric city as possible in an effort to somehow make it home a bit more quickly. With a plan in place to try something new every weekend, it didn't take long to become captivated with all there was to see and do in the Mile High City. Before long, she had acquired a list of incredible stops to try and sights to see that made up a collection of stories begging to be told. Armed with this wealth of new information, a passion for adventure and a never-ending list of must-try places to pass onto others, she decided to put together a comprehensive guide to the version of Denver she has learned to love. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

The sport of trail running is booming as more runners seek more adventurous routes and a deeper connection with nature. Not only are runners taking to the trail, but a growing number are challenging themselves to go past the conventional 26.2-mile marathon point. The time is right for a book that covers everything a runner needs to safely and successfully run and race trails, from 5Ks to ultra distances. Like a trusted coach, *The Trail Runner's Companion* offers an inspiring, practical, and goal-oriented approach to trail running and racing. Whether readers are looking to up their distance or tackle new terrain, they'll find sophisticated, yet clear advice that boosts performance and enhances well-being. Along the way, they'll learn: Trail-specific techniques and must-have gear What to eat, drink, and think—before, during, and after any trail run How to develop mental tenacity and troubleshoot challenges on longer trail adventures Colorful commentary on the characters and culture that make the sport special With an engaging, encouraging voice, including tips and anecdotes from well-known names in the sport, *The Trail Runner's Companion* is the ultimate guide to achieving peak performance—and happiness—out on the trails. "Sarah Lavender Smith has long been one of trail running's finest and most insightful writers, and her first book, *The Trail Runner's Companion*, ties everything together for all trail runners, from newbies to veterans and all abilities in between. She expertly and empathetically describes how one should train, eat, drink, and think while becoming a trail runner. But perhaps most importantly of all, she tells us what it means to be a trail runner—why this journey, in her words, 'all the way up to the summit and back down,' is worth the effort. If you already are a trail runner, *The Trail Runner's Companion* will make you want to become a better trail runner. If you aren't yet a trail runner, *The Trail Runner's Companion* will make you want to become one." - John Trent, longtime ultrarunner, race director, Western States 100-Mile Endurance Run board member, and award-winning sportswriter "The Trail Runner's Companion is a must-have for all trail runners, both new and experienced. It brings a wealth of knowledge and entertaining stories to keep you engaged in the valuable content of the book. If only I had *The Trail Runner's Companion* to read before my first trail race, I could have avoided so many

mistakes! I highly recommend it. ” - Kaci Lickteig, 2016 UltraRunning Magazine UltraRunner of the Year and Western States 100-Mile Endurance Run champion

There is a movement of women stepping into their God-given gifts to make money doing what they love. If you're ready to join them, this is your handbook that will take the ideas in your head and the dream in your heart and turn them into action. *Help you create a step-by-step, customized plan to start and grow your business. *Show you how to manage your time so you can have a business- and life- that you love. *Explain overwhelming business stuff like pricing, taxes, and budgeting in simple terms. *Teach you how to use marketing to reach the right people in the right way.

"This is the first study of the portraits Barack Obama (2018) and Michelle Obama (2018), their reception, and their significance. The book includes essays by historians examining the influence of the paintings and what they reveal about contemporary portraiture, particularly in relation to American and African American history and culture. The book also features interviews with the artists, transcripts of the remarks made by the Obamas at the unveiling, and a selection of images, including behind-the-scenes photography by Pete Souza, the official photographer for the Obamas, made during the portrait sittings"--
