Sovereignty is the life and soul of the state and it cannot be alienated without destroying the state itself. Lieber has very aptly remarked in this connection: “ Sovereignty can no more be alienated than a tree can alienate its right to sprout or a man can transfer his life or personality to another without self-destruction ” .

Sovereignty: Meaning and Characteristics of Sovereignty

In his prominent work of 1957, *Sovereignty: An Inquiry Into the Political Good*, Jouvanel acknowledges that sovereignty is an important attribute of modern political authority, needed to quell disputes within the state and to muster cooperation in defense against outsiders. But he roundly decries the modern concept of sovereignty, which creates a power who is above the rules, a power whose decrees are to be considered legitimate simply because they emanate from his will.
