Conexiones: Comunicaci3n y cultura, 5th Edition represents a fresh start for a program that has successfully taught thousands of students. Though the new 5th edition still retains what has always made Conexiones great, the new edition was rebuilt from the ground up thanks to feedback from instructors and students across the country. Through relevant and appealing topics, a true intermediate grammar sequence, and a focus on the dynamic cultures of the Spanish-speaking world, students will reach higher levels of proficiency and discover a whole new world with Conexiones: Comunicaci3n y cultura, 5th Edition. Teaching & Learning Experience Improve Communication Skills While Engaging Students: Conexiones connects to the real world students live in and are exposed to in the media, as well as to the disciplines of study across campus. Until now, the disconnect between basic language study and advanced study has been abrupt and difficult to bridge for both the students and the instructors teaching the advanced courses. We've made it easier! Achieve Consistent Learning Outcomes: Conexiones brings students to a true intermediate-level of proficiency through its carefully chosen scope and sequence and gives students the necessary foundation to succeed in higher-level classes. Connect With Culture: With Conexiones, language and culture are inseparable; part of the same mosaic, each informing the other. Rich in cultural input throughout chapters, Conexiones also integrates music, art, and literature to expand upon chapter topics in the Comunicaci3n y cultura sections. A brand-new video program captures the richness of the cultures of Spanish-speaking world. Professor Dee L. Eldredge's Teaching Spanish, My Way is a treasure trove of information and a resource manual of over 370 pages to aid Spanish teachers / professors in their efforts to help students learn Spanish. It contains the author's philosophy of teaching; suggestions for course and class preparation; principles of teaching that he follows; general linguistic, syntax, lexical, phonetic, and morphological explanations; Spanish language rules; Spanish historical, cultural, and geographical information; handouts that have been used a lot by the professor; and cards that have been utilized with great success to teach Spanish, especially at the beginning of classes. Would you like to read information about how to take charge of a class and more about the responsibilities of a teacher? Chapter 1 of the book gives the reader the author's philosophy of teaching and much information on his perspectives relating to a teacher's responsibilities. Topics such as being in charge of the class, being prepared for everything, grading practices, using time efficiently during class, presenting grammar, implementing oral drills, students speaking as much Spanish as possible during the class and before / after class with the teacher, being courteous, and others will help you be a better teacher / professor. Would you like to be better organized and run your classes more smoothly? Chapter 2 details many subjects important to course organization, class preparation, and class instruction. As part of course organization, syllabuses, schedule of classes, handouts, marking up textbooks, folders, copies, tests, and examining classrooms are discussed. Appertaining to class preparation, planning of the activities for the next class, grading, recording and placing papers in folders, handouts, and tests are explained. Concerning class instruction and activities, the following topics are presented: directing a class, starting a class, reviewing homework, asking questions, presenting new grammar, practicing new grammar, reading, using handouts, giving tests/exams, grading and reviewing tests, and ending class. Would you like to have some excellent rules that would help you teach your classes more suitably? Chapter 3 lists the many rules that the author follows in teaching his classes. Some deal with the interaction with students, others with the organization of the classroom, others with the preparation of classes, and others with the way he organizes everything. Would you like to have explanations of grammar and linguistics that very much help you teach more competently? Chapter 4, which is by far the longest, gives explanations of many items in linguistics that can greatly aid Spanish teachers---such as synthetic and analytic languages; declensions; syntactical notation; thematic relations and relators; complementation; arguments; vocalic and consonantal languages; adverbials; markers; a sentence; moods; voices; raising; pro-forms; noun phrases; cases with pronouns; pronouns after prepositions; clitics; le i smo, la i smo, and lo i smo; relative pronouns; clitic doubling; determiners; homonyms; verb phrases; verbal complementation; verbal particles; verbal aspect; verb forms; the English "dummy it" ; usage comparison of auxiliary verbs in English and Spanish; prepositional phrases; prepositional complementation; modifiers; position of modifier adjectives; conjunctions; multiple meanings of English and Spanish verbs and other words; affirmative and negative words; question words; false cognates; Spanish and English verb problems; the silent h and u; juncture; phonemes; diphthongs; phonetic stress; vowels and consonants; representatives of sounds; spelling problems; cognates; and usage of linguistics in the classroom. This chapter aids the teacher to deliver the whys and wherefores to many grammatical problems—as for example, why the h became silent in Spanish, where the name California came from, and why the Spanish chose habla

"Why Conexiones? Welcome to the sixth edition of Conexiones: Comunicaci3n y cultura! Since the very beginning we have worked to provide a complete intermediate program that brings a broad learner audience to a true intermediate level of proficiency. With each edition, we strive to provide continuity from first- to second-year Spanish with engaging and pedagogically sound materials. After completion of our program, when learners go to use Spanish in their work or personal lives, they will have developed confidence in the language and the ability to express themselves on topics relevant to the issues of our time. Why is Conexiones such an effective tool for language learning? Because it provides solutions to the most common challenges of language teaching: ? A solid yet flexible bridge from introductory to intermediate Spanish. Our program meets learners where they are, and allows instructors the flexibility of adapting lessons to varying needs and levels. Conexiones takes learners from speaking words and phrases to creating with language; from writing lists and short messages to expressing meaning in practical ways; from understanding of key words and cognates to understanding simple speech and texts. Our program guides learners to an intermediate high level of proficiency as defined by ACTFL's Proficiency Guidelines 2012"--

Experience Spanish: Un mundo sin límites, presents vocabulary and grammar in action through culture. With emphasis on the 5C's, the Experience Spanish program delivers dynamic opportunities for communicative practice in all course delivery formats built upon the following principles: Culture is core: Culture is infused throughout the program. The students' cultural experience and exposure is not limited to special cultural sections, but rather embedded in presentations as well as in vocabulary and grammar practice. The dedicated cultural sections are rich and varied: Entrada cultural, Expresiones artísticas, Notas culturales, Notas interdisciplinarias, Lectura cultural, Concurso de videoblogs, Conexiones culturales en vivo, and Conexiones culturales. These readings, videos, notes, and fine art presentations offer students extensive cultural perspectives and promote cross-cultural comparisons and connections. Language in action: Vocabulary in Experience Spanish is presented visually through colorful, engaging illustrations, and put into action with personal and communicative activities. Grammar points are introduced with contextualized short dialogues or cultural readings that immediately illustrate the concepts in action, allowing students to experience the structures in context before focusing on the forms and rules. Personalized experience: No two students are alike. Why should their learning paths be? LearnSmart uses revolutionary adaptive technology to build a learning experience unique to each student's individual needs. Students engage in targeted vocabulary and grammar practice so they are prepared to practice communication in the classroom. To further the personalized experience, we're excited to announce the interactive 3-D game, Practice Spanish: Study Abroad, that immerses students in a virtual study abroad experience in Colombia. Practice Spanish, accessible on laptops and mobile devices, allows students to practice real world language in a game environment that integrates culture, grammar, and vocabulary. Experience Spanish everywhere: Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. \*Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, Practice Spanish: Study Abroad, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

• Guides students in the preparation of literature reviews for term projects, theses, and dissertations. • Most chapters are conveniently divided into easy-to-follow guidelines, sequential steps, or checklists. Numerous examples throughout the book show students what should and should not be done when writing reviews. • Emphasizes critical analysis of reports of empirical research in academic journals—making it ideal as a supplement for research methods courses. This book makes it possible for students to work independently on a critical literature review as a term project. • Nine model literature reviews at the end of the book provide the stimulus for homework assignments and classroom discussions. • The activities at the end of each chapter keep students moving toward their goal of writing a polished, professional review of academic literature. • Most examples include material from recently published research. Includes nine model literature reviews for discussion and evaluation.
