Apolonia "Lina" Flores is a sock enthusiast, a volleyball player, a science lover, and a girl who's just looking for answers. Even though her house is crammed full of books (her dad's a bibliophile), she's having trouble figuring out some very big questions, like why her dad seems to care about books more than her, why her best friend's divorced mom is obsessed with making cascарones (hollowed eggshells filled with colorful confetti), and, most of all, why her mom died last year. Like colors in cascарones, Lina's life is a rainbow of people, interests, and unexpected changes. In her first novel for young readers, Diana López creates a clever and honest story about a young Latina girl navigating growing pains in her South Texan city.

After the death of her mother, Texas sixth-grader Lina's grades and mood drop as she watches her father lose himself more and more in books, while her best friend uses Lina as an excuse to secretly meet her boyfriend.

Apolonia "Lina" Flores is a sock enthusiast, a volleyball player, a science lover, and a girl who's just looking for answers. Even though her house is crammed full of books (her dad's a bibliophile), she's having trouble figuring out some very big questions, like why her dad seems to care about books more than her, why her best friend's divorced mom is obsessed with making cascарones (hollowed eggshells filled with colorful confetti), and, most of all, why her mom died last year. Like colors in cascарones, Lina's life is a rainbow of people, interests, and unexpected changes. In her first novel for young readers, Diana López creates a clever and honest story about a young Latina girl navigating growing pains in her South Texan city.

After the death of her mother, Texas sixth-grader Lina's grades and mood drop as she watches her father lose himself more and more in books, while her best friend uses Lina as an excuse to secretly meet her boyfriend.

From beloved author Diana López comes an exciting middle grade story about three friends, a magic competition, and how far they'll go to succeed. Sixth graders Dominic, Loop, and Z stumble upon a new magic shop in town and can't wait to spend their summer mastering cool tricks to gain access to the Vault, a key holders-only back room bound to hold all kinds of secrets. And once they get in, they set their sights even higher: a huge competition at the end of the summer. They work on their card tricks, sleights, and vanishing acts, trying to come up with the most awesome routines possible...Problem is, the trip is expensive, and it's money that each guy's family just doesn't have. To make things worse, the shop-owners' daughter, Ariel (who just so happens to be last year's competition winner), will do anything to make sure the boys don't come out on top. Even pit them against one another. Will they make it to the competition? And if so, at what cost? Diana López, author of Confetti Girl and Ask My Mood Ring How I Feel, offers a story that's just the right mix of heart, high jinks, and a bit of magic.

Diana López returns to her middle-grade sweet spot in this delightful novel perfect for fans of Wendy Mass, Charise Mericle Harper, and Angela Cervantes.

Isabel Bookbinder dreams of pearly white weddings, happy brides, handsome grooms. And champagne towers that don't topple over. She dreams of the perfect wedding. But not for herself...for her clients. It's all about bride management as far as Isabel's concerned. Even when she misplaces a couple of brides and loses her job working for wedding guru Pippa Everitt, Isabel isn't disheartened. She throws herself straight into launching Isabel Bookbinder, Individual Weddings, and with a pop starlet and a millionaire as her first clients, business is looking rosy. Unfortunately for Isabel, nothing ever goes quite according to plan...

Randa Abdel-Fattah's new novel about about finding your place in life . . . and learning to accept yourself and your culture. "At school I'm Aussie-blonde Jamie -- one of the crowd. At home I'm Muslim. Jamilah -- driven mad by my Stone Age dad. I should win an Oscar for my acting skills. But I can't keep it up for much longer..." Jamie just wants to fit in. She doesn't want to be seen as a stereotypical Muslim girl, so she does everything possible to hide that part of herself. Even if it means pushing her friends away because she's afraid to let them know her dad forbids her from hanging out with boys or that she secretly loves to play the darabuka (Arabic drums).

Fans of Girl, Interrupted, Thirteen Reasons Why, and All the Bright Places will love this New York Times bestseller. "A haunting, beautiful, and necessary book that will stay with you long after you've read the last page."—Nicola Yoon, #1 New York Times bestselling author of Everything, Everything and The Sun Is Also a Star Charlotte Davis is in pieces. At seventeen she 's already lost more than most people do in a lifetime. But she 's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don 't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie 's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It 's a story you won 't be able to look away from. " Girl, Interrupted meets Speak. " —Refinery29.com " A dark yet powerful read. " —Paste Magazine " One of the most affecting novels we have read. " —Goop.com " Breathtaking and beautifully written. " —Bustle " Intimate and gritty. " —The Irish Times And don 't miss Kathleen Glasgow's newest novel How to Make Friends with the Dark, which Karen M. McManus, the New York Times bestselling author of One of Us Is Lying, calls "rare and powerful."

It's the Chinese Year of the Dog, and as Pacy celebrates with her family, she finds out that this is the year she is supposed to "find herself." Universal themes of friendship, family, and finding one's passion in life make this novel appealing to readers of all backgrounds. This funny and profound book is a wonderful debut novel by a prolific picture book author and illustrator and has all the makings of a classic.
