Now in its second edition, *Connecting Social Problems and Popular Culture* goes beyond the news-grabbing headlines claiming that popular culture is public enemy number one to consider what really causes the social problems we are most concerned about. The sobering fact is that a "media made them do it" explanation fails to illuminate the roots of social problems like poverty, violence, and environmental degradation.

~~Connecting Social Problems and Popular Culture by Karen ...~~

Connecting Social Problems and Popular Culture is an unconvincing study of how the media is blameless for many problems that exist in society. If the author is not citing research reports, she uses her personal anecdotes. Sometimes, she sounds like she is writing a student paper.

~~Problems and Popular Culture: Why Media ...~~

"In *Connecting Social Problems and Popular Culture*, Karen Sternheimer delivers a necessary synthesis, with a devastating media analysis, in response to the prevalent cottage industry of exaggeration, myth, and invention about popular culture's impacts on youth behavior. And in layering a critique of society, class, and race over actual evidence she produces a work of great value to those working with or teaching about youth."

~~Connecting Social Problems and Popular Culture: Why Media ...~~

Rather than viewing popular culture as "guilty" or "innocent," the central theme running through Connecting Social Problems and Popular Culture is that various media and the popular culture they promote and produce are reflections of deeper structural conditions—such as poverty, racism, sexism, and homophobia—and economic disparities woven into major social institutions. While discussions of sexism in various forms of media, for instance, are often lively and provocative, the ...
