that you will lead your family with strength and love and that peace and joy are not just for the people next door or on TV. They're for your family. In Family First, Dr. Phil gives it to parents straight: even in this fast-paced world your family should be the center of your life and your child's life. Parenting is the most important and noble act you will ever undertake, yet American families are threatened like never before from the inside as well as the outside—many of us fight too much, don't get involved enough in our children's lives, or get bogged down in life's daily struggles

Instead of keeping our eye on the big picture of our family's well-being. Dr. Phil has been working with families for over twenty-five years to help them repair the fissures that have fractured their home lives. In *Family First*, he provides a proven action plan to help parents determine the strengths and weaknesses of their parenting style. His seven tools for purposeful parenting cover the most important elements for any parent: parenting for success—for the purpose of raising cooperative, caring, and competent children. Exercises, scripts,
