"Love is the highest religion..." - Samael Aun Weor If you only want one book about real spiritual practice, The Perfect Matrimony has everything you need. Prepare yourself for a spiritual revolution. In fact, this book is so powerful that because of it, in 1950 the Catholic Church had Samael Aun Weor jailed. They accused him of "offending the public and healing the ill." The Perfect Matrimony is a complete introduction to the profound and beautiful mystical knowledge from which all the world's great religions have blossomed. There is a sacred teaching, the source of the secret teachings of Judaism, Christianity, Buddhism, Taoism, Hinduism, Alchemy, Tantra, Kabbalah, and the mysteries of the Mayans, Aztecs, Egyptians, Tibetans, Eleusinians, Essenes, and hundreds more. All of them have a sexual secret. All of them came from the same root knowledge. The Perfect Matrimony

explains how to solve the problem that originated with Adam and Eve: an event clearly rooted in sex. Jesus also taught how to solve this problem (his first miracle was at a wedding, after all), but the church edited his teachings. When Samael Aun Weor publicly revealed the true teachings, the outraged church had him imprisoned in an effort to repress what he revealed.

Everything that lives was created through sex. Just the same, the soul is created through sex, but not the sex of the common person. To create divinity, one must understand divine sexuality. Such knowledge has always been preserved in secret, held safely for those who demonstrated their ability to use it properly. Now, for the first time in history, that knowledge has been revealed openly: this book, originally published in 1950, marked its first public appearance. "Love is the highest religion..."

- Samael Aun Weor, *The Perfect Matrimony* (1950) With the explanations in this book, you will understand not only many seemingly vague and incomprehensible scriptures, but also how all genuine spiritual practices work. After reading this book, religion and sex make sense. Moreover, you will see that religion is not found in organizations, buildings, or books, it is found in the heart that is enflamed with divine love.

The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: "It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future."--Page 4 of cover.
