The Challenge. The rate of mental illness and other behavioral health needs among the daily population at Rikers Island has significantly increased in recent years, from 29% in 2010 to 42% in 2016.1 If this increase continues, within a few years roughly half of those detained at Rikers will have mental illness. Already, 11 of every 100 people at Rikers have serious mental illness.2 Because ...
