Instigation and early years Early history. British Summer Time was first established by the Summer Time Act 1916, after a campaign by builder William Willett. His original proposal was to move the clocks forward by 80 minutes, in 20-minute weekly steps on Sundays in April and by the reverse procedure in September. In 1916, BST began on 21 May and ended on 1 October.

At the start of 1939, the British Army was a small volunteer professional army. At the beginning of the Second World War, 3 September 1939, the British Army was small in comparison with those of its enemies, as it had been at the beginning of the First World War. It also quickly became evident that the initial structure and manpower of the British Army were woefully unprepared and ill-equipped ...

Gandhi and the INC did not trust the British envoy and demanded immediate independence in return for their cooperation. When the talks broke down, the INC launched the "Quit India" movement, calling for the immediate withdrawal of Britain from India.

~~A Summary of British Rule in India — ThoughtCo~~

The British colonization of the Americas was the history of establishment of control, settlement, and decolonization of the continents of the Americas by England, Scotland and (after 1707) Great Britain. Colonization efforts began in the 16th century with failed attempts by England to establish permanent colonies in North America.

In 2014, British combat troops left Afghanistan. British forces had been in the country since 2001 when they were sent as part of a coalition tasked with intervening in Afghanistan to find the leaders of al-Qaeda after the 9/11 terrorist attacks.

~~What Was the British Role in Afghanistan? | Imperial War ...~~

The British Army during World War I fought the largest and most costly war in its long history. Unlike the French and German Armies, the British Army was made up exclusively of volunteers—as opposed to conscripts—at the beginning of the conflict. Furthermore, the British Army was considerably smaller than its French and German counterparts.

~~British Army during World War I — Wikipedia~~

Although the British Empire and the Commonwealth countries all emerged from the war as victors, and the conquered territories returned to British rule, the costs of the war [citation needed] and the nationalist fervour that it had stoked became a catalyst for the decolonisation which took place in the following decades.
