One may think that Donald Trump knows what he's talking about. After all, the man—as he'll remind you at every opportunity—has made a whopping \$4 million as an entrepreneur and is far ahead of his competitors in the race to become the republican nominee for the 2016 presidential election. He's also

assertive, bold, self-assured, and argumentative. He talks as if he knows what he's talking about. And then reality sets in. He can't actually believe the ludicrous things that come out of his mouth. Or can he? This brilliant, hilarious, and horrifying collection is a compilation of more than one hundred of the most mind-boggling, insane, crass, ignorant, and downright offensive statements he's made, Tweeted, or otherwise written. We'll cover his thoughts on public policy, international relations, President Barack Obama, his opponents, himself—and much, much more. So buckle up, America, because common sense, experience, grace, and political knowledge—who needs them? As Trump said, he will be one of the greatest presidents “that God ever created.”

"Sadly, she's no longer a 10" "If _____ can't satisfy her husband what makes her think that she can satisfy America?" " _____'s disgusting both inside and out. You take a look at her, she's a slob. She talks like a truck driver, she doesn't have her facts, she'll say anything that comes to her mind." "Listen you m--f--, we're going to tax you 25 percent!" Love him or hate him, Donald Trump is the master of great quotes! From his negotiating skills in the business world, his Real Estate empire, the Apprentice show on television, to his Presidential candidacy ideologies and doctrines, there is no shortage of outrageous statements that he has made over the years. Although there are many Trump books written about his biography and business deals, this book captures some of Trump's most outrageous quotes, including the more recent ones of Heidi Klum to giving away Lindsey Graham's cell phone number in a public speech. Whether he is building millions in personal finance, is discussing business and money, or running against Ben Carson for President, his "Think Big" philosophy also pertains to his loud mouth, which often provides a laugh. family a good laugh!

Laugh and/or cry when you read some of the most outrageous quotes straight from President Donald J. Trump's Twitter account. This is a great coffee table book to reminisce on hectic times. Elegantly formatted and timeless.

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."—The New York Times "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."—Chicago Tribune "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—Boston Herald "A chatty, generous, chutzpa-filled autobiography."—New York Post

The Real estate mogul and The Apprentice host Donald Trump has just announced his bid to run for the 2016 presidential campaign. In a speech given at his Trump Tower in New York City, the Donald left nothing back as he delivered a monologue that was full of head scratching quotes. This shouldn't be a surprise to anyone, since Trump has had a knack for saying things that often make people do a double take. Celebrities, right and left wing politicians, climate change, you name it, the Donald probably has an opinion about it.

In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate

familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

A collection of some of Donald's most outrageous quotes ready to be coloured in, cut out and stuck on our walls.

Rage is an unprecedented and intimate tour de force of new reporting on the Trump presidency facing a global pandemic, economic disaster and racial unrest. Woodward, the #1 international bestselling author of *Fear: Trump in the White House*, has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. In dramatic detail, Woodward takes readers into the Oval Office as Trump's head pops up when he is told in January 2020 that the pandemic could reach the scale of the 1918 Spanish Flu that killed 675,000 Americans. In 17 on-the-record interviews with Woodward over seven volatile months—an utterly vivid window into Trump's mind—the president provides a self-portrait that is part denial and part combative interchange mixed with surprising moments of doubt as he glimpses the perils in the presidency and what he calls the “dynamite behind every door.” At key decision points, *Rage* shows how Trump's responses to the crises of 2020 were rooted in the instincts, habits and style he developed during his first three years as president. Revisiting the earliest days of the Trump presidency, *Rage* reveals how Secretary of Defense James Mattis, Secretary of State Rex Tillerson and Director of National Intelligence Dan Coats struggled to keep the country safe as the president dismantled any semblance of collegial national security decision making. *Rage* draws from hundreds of hours of interviews with firsthand witnesses as well as

participants' notes, emails, diaries, calendars and confidential documents. Woodward obtained 25 never-seen personal letters exchanged between Trump and North Korean leader Kim Jong Un, who describes the bond between the two leaders as out of a “fantasy film.” Trump insists to Woodward he will triumph over Covid-19 and the economic calamity. “Don’t worry about it, Bob. Okay?” Trump told the author in July. “Don’t worry about it. We’ll get to do another book. You’ll find I was right.”

In *Raising Trump*, Ivana Trump reflects on her extraordinary life and the raising of her three children—Donald Jr., Eric, and Ivanka—and recounts the lessons she taught her children as they were growing up. As her former husband takes his place as the 45th President of the United States, his children have also been thrust into the media spotlight—but it is Ivana who raised them and proudly instilled in them what she believes to be the most important life lessons: loyalty, honesty, integrity, and drive. *Raising Trump* is a non-partisan, non-political book about motherhood, strength, and resilience. Though Ivana writes about her childhood in communist Czechoslovakia, her escape from the regime and relocation to New York, her whirlwind romance, and her great success as a businesswoman, the focus of the book is devoted to Ivana’s raising of her children. Donald Trump Jr., Eric Trump, and Ivanka Trump will all contribute their own memories to the book. “Every day, people ask me how I raised such great kids. They are truly amazed when I tell them that there was no magic to their upbringing. I was a tough and loving mother who taught them the value of a dollar, not to lie, cheat, or steal, respect for others, and other life lessons that I’ll share now in *Raising Trump*, along with unfiltered personal stories about Don, Eric, and Ivanka from their early childhood to becoming the ‘first sons and daughter.’” —Ivana Trump
