Keep your bike in mint condition with this visually in-depth manual for bicycle maintenance and care. Featuring CGI illustrations that can be viewed at any angle, The Complete Bike Owner's Manual shows every aspect of bicycle repair and maintenance. Each diagram and step-by-step instruction is shown more clearly than ever before in this book. Learn how to mend a tire puncture, build your own custom bike from scratch, or adjust your seat with The Complete Bike Owner's Manual. Find out which bike is right for you, know what questions to ask in the store, and make sure you know what to look for when purchasing a bike. The Complete Bike Owner's Manual is a complete reference of repairs and maintenance for the do-it-yourself bicycle owner. Check the diagnostic spreads, which go from symptom to solution and include a toolbox to show what equipment is needed for the repairs that will get your bike back on track. From cleaning your bike to brake repair to electric bike maintenance to assembling a custom mountain bike, The Complete Bike Owner's Manual is a friendly and informative guide to taking care of your bike.

With this full-color illustrated manual in your toolbox, you will never need to visit the bike repair shop again. From planning regular maintenance to getting your hands dirty for emergency repairs, The Complete Bike Owner's Manual will help you with everything. Explore every part of your bike's anatomy with extremely detailed CGIs, learn which seat position suits you the most, install new brakes and adjust the handlebar, change and refit gear cables, and much more. This essential book equips you with the tools and techniques you need to troubleshoot any problems you may face while taking care of your bicycle. The reference section at the end of the book offers possible solutions to some of the common problems. The Complete Bike Owner's Manual is the perfect handy guide for any bicycle enthusiast.

E-Bike is the essential guide to this exciting technology and way of riding. From features, benefits, pros and cons, and the best ways to take advantage of motor-assisted cycling, E-Bike shows how to get the best bike for you and how your new e-bike will improve your cycling. Electric bikes are a new and fast-changing technology that's poised to transform how Americans ride bicycles, commute to work, and get around town. But in a market crowded with makes, models, and features, which e-bike is best for you? E-bike expert Martin Haussermann explores this exciting new way of riding a bicycle to share all the information e-bike shoppers and owners need. With guidance from VeloNews tech editor Dan Cavallari, custom e-bike framebuilder Lennard Zinn, and cycling retail journalist Stephen Frothingham, E-Bike offers the e-bike curious the essential guide to e-bike tech, formats, and uses. Whether you're looking for a city commuter, a speedy road bike, or a mountain bike, you can get up to speed on e-bike motors, drivetrains, brakes, and suspensions. Haussermann offers insights on e-bike handling, maintenance, and e-bike touring that makes clear all the benefits an e-bike can bring to your riding. Electric bikes are here, and E-Bike shares the best ways to take advantage of motor-assisted cycling.

Everything you need to know to purchase, maintain, and ride a bike for recreation, commuting, competition, travel, and beyond! From the bike world's most beloved and trusted advocate. Eben Weiss, aka Bike Snob NYC, is the voice of cyclists everywhere. Through his popular blog he has been informing, entertaining, and critiquing the bike-riding community since 2007. With his latest book, The Ultimate Bicycle Owner's Manual, Weiss makes his vast experience and practical advice available to bike "newbies" and veterans alike. Chapters cover Obtaining a Bike, Understanding Your Bike, Maintaining Your Bike, Operating Your Bike, Off-Road Riding, Coexisting with Drivers, Competitive Cycling, Bike Travel, Cycling with Kids, and What the Future Holds for Bikes in our Communities. Weiss's humorous, down-to-earth style takes all the mystery and intimidation out of cycling and will inspire even the most hesitant couch potato to get out and ride! Eben Weiss is the blogger behind Bike Snob NYC. He is the author of Bike Snob, Bike Snob Abroad, and The Enlightened Cyclist. He lives in New York City with his family.

Everything you need to keep your bike in peak condition in a user-friendly e-guide. No garage or shed is complete without a dog-eared copy. The most up-to-date bicycle maintenance guide on the market, covering all types of bicycles: road, racing, mountain, hybrid, BMX, and children's. This is the essential manual for beginners and experienced cyclists alike. Step-by-step sequences show how to make bicycle repairs, from vital servicing to improving its performance--on and off road.
