An Electronic Book or eBook as they are universally known is a text-based publication in digital form. While they may contain images and graphs of some kind, mostly their formats lead them to be text-based. eBooks are designed to be read off an electronically compatible device either an iPhone, a Kindle eReader, tablet or personal

How E-books changed the culture of reading

An electronic book, also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

6. The Book Summary Club. This is a relatively new entry in the world of free online summaries. It uses a "3 lessons learned" format similar to "Four Minute Books", but Book Summary Club has longer summaries, "real" reviews, and a more personalized approach. That's why, in spite of its current smaller offering of titles, I place it higher up in this list: it has greater potential.

The 10X Rule by Grant Cardone Print | eBook | Audiobook. The
Book in Three Sentences: The 10X Rule says that 1) you should set
targets for yourself that are 10X greater than what you believe you
can achieve and 2) you should take actions that are 10X greater than
what you believe are necessary to achieve your goals. The biggest
mistake most people make in life is not setting goals high enough.
