While most of the writing about construction payment and mechanics
liens focuses on contractors and suppliers, there's another group of
people out there vital to completing (and even starting) any
construction project. I'm talking about design professionals. Design
professionals include architects, engineers, interior designers, and
other licensed professionals.

For B.E., B.Tech. And Engineering students of All Indian Technical
Universities

The present edition of this book has been thoroughly revised and a lot
