In this updated edition of the successful Public Relations Handbook, a detailed introduction to the theories and practices of the public relations industry is given. Broad in scope, it; traces the history and development of public relations, explores ethical issues which affect the industry, examines its relationships with politics, lobbying organisations and journalism, assesses its professionalism and regulation, and advises on training and entry into the profession. It includes: interviews with press officers and PR agents about their working practices case studies, examples, press releases and illustrations from a range of campaigns including Railtrack, Marks and Spencer, Guinness and the Metropolitan Police specialist chapters on financial public relations, global PR, business ethics, on-line promotion and the challenges of new technology over twenty illustrations from recent PR campaigns. In this revised and updated practical text, Alison Theaker successfully combines theoretical and organisational frameworks for studying public relations with examples of how the industry works in practice.

Increasingly, across the system, people are talking about knowledge and curriculum. In this timely new book, Mary Myatt is at her brilliant best as she passionately argues that the solutions to overcoming achievement barriers lie in understanding the curriculum and in what children and meant to know. In order to reach coherence on the curriculum, it's going to require teachers in schools to engage in the conversation; it's a journey we need to share if we're going to deliver a curriculum we understand and believe in. In a series of crystal clear chapters, Mary guides teachers and school leaders through one of the most important debates in education.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
