I didn't enjoy this book at all. I expected Stewart Lee's "how i escaped my certain fate" to be an uplifting tale of man against machine, where machines takes over the world and finally out of the ruins of a post apocalyptic society a lone warrior emerges who leads the human race to an ultimate victory over the machines.

Napoleon's Book of Fate. Select a question for the Oracle to answer: Remember this oracle is quite old, select a question that "best" fits your situation. For example, a question about someone who has a bad habit that person could be the "prisoner". We thought it important to keep the oracle with original translated text.

Except with her, of course. And those glimpses of Paolo's soft side are just as sinfully addictive as the rest of him. So when he proposes to take their relationship to the next level—marriage—Dakota can't deny the thought of becoming his makes her pulse race and her knees go all wobbly. Unfortunately, when the big moment finally arrives, Paolo is nowhere to be found. Was it something she said or foul play? Dakota's heart won't move on until she finds out, but is she ready to face her dangerous world alone? Or will Dakota have to let go of everything she loves simply to survive? It's fate that led us to each other. It's fate that we can't be together. When something bad happens, you never hear anyone say, "It must be fate." Yet fate was to blame for me being home to witness my mother's murder. Fate paved the road my life was destined to take that tragic day. And that road led me directly to him. I was on a mission to find my mother's killer. He wasn't my mission. We were never meant to be. Just a chance encounter with a bad boy who shocked my heart into submission. Until fate pushed me down that road and led me to him again. Our paths didn't just cross, they collided. I need to fight the secrets from my past. He's just fighting for me. Can two people destined to meet survive the devastation fate set in motion? Welcome to my life. Fate hates me. Fate Hates is book one from the Twist of Fate series. Zeus gave her one simple job: Kill every human. Atropos--daughter of Zeus and the third goddess of Fate from Greek mythology --spends her eternal life snipping human lifelines when their mortal lives are over. As if being a killer doesn't make life miserable enough, she and her Fate-wielding sisters must live amongst the humans on Earth thanks to a long-running feud between their mother and Zeus. Living on Earth means they must mingle with the mortals, attend the local high school, and attempt to fit in--or at least not stand out too much. Killing and mingling don't mix, which is why Atropos' number-one rule is to avoid all relationships with the humans. Caring for the people she has to kill is a fast track to insanity. However, when Alex Morgan walks into her first-period English class, she knows she's in for trouble. He's the worst kind of human for her to like--one with a rapidly approaching expiration date. And he makes Atropos want to break all the rules.

Escape into this time-travel romance series by #1 New York Times bestselling fantasy author Kelley Armstrong... Thorne Manor has always been haunted ...and it has always haunted Bronwyn Dale. As a young girl, Bronwyn could pass through a time slip in her great-aunt's house, where she visited William Thorne, a boy her own age, born two centuries earlier. After a family tragedy, the house was shuttered and Bronwyn was convinced that William existed only in her imagination. Now, twenty years later Bronwyn inherits Thorne Manor. And when she returns, William is waiting. William Thorne is no longer the boy she remembers. He's a difficult and tempestuous man, his own life marred by tragedy and a scandal that had him retreating to self-imposed exile in his beloved moors. He's also none too pleased with Bronwyn for abandoning him all those years ago. As their friendship rekindles and sparks into something more, Bronwyn must also deal with ghosts in the present version of the house. Soon she realizes they are linked to William and the secret scandal that drove him back to Thorne Manor.
