Directors: The first category of employees who owe fiduciary duties are employees who are also directors. Their fiduciary duties have been given statutory footing in the Companies Act 2006. Senior employees: This second category is less clear and is fact-specific – being those for whom the imposition of such duties is warranted due to the nature of the employee’s specific contractual obligations, including the level of seniority and degree of trust and independence. In most cases, only ...

Dyson case: What employers need to know about fiduciary duties

As stated above, a director also owes statutory and fiduciary duties to the company. These are obligations which ordinary employees do not owe. A director’s contract of employment or service agreement will generally have to be approved by the Board. In awarding a service agreement, the Board members must act in the interests of the company.

Directors and their Responsibilities - Human Resources

A new concept named ‘Enlightened Shareholder Value’ was introduced to clarify the wide-ranging duties of a director. This helps to ensure that employees and other stakeholders receive consideration during a director’s decision-making process, as well as the company and its members. Duty to act within your powers
