"*Footprints*," also known as "*Footprints in the Sand*," is a popular allegorical religious poem. It describes a person who sees two pairs of footprints in the sand, one of which belonged to God and another to him or herself. At some points the two pairs of footprints dwindle to one; it is explained that this is where God carried the protagonist.

The Footprints in the Sand prayer is
special to so many Christians because it
speaks directly to our unique relationship
with God. Our faith in God does not
excuse us from experiencing hardship and
sadness. The reality is that we all go
through ups and downs in our lives.
Sometimes God walks beside us, and other

The Footprints Prayer is an inspirational poem about having faith in God. Also known as Footprints in The Sand, this prayer shows how God is always with us, especially in times of need. It is thought by some that the person describing the dream is in fact, Jesus. Just as we all sometimes struggle with our faith, so to did Jesus.

What's striking about the photograph is that the footprints seems to rise up from the surface of the sand rather than sinking in. In fact, the footprints are normal footprints. They're sunk in as you would expect. Their raised appearance is an illusion caused by the pattern of shadows. These shadows are ambiguous.
