Being able to find the main subject, the main verb, and the complete thought is the first trick to learn for identifying fragments and run-ons. Sentence fragments. A sentence fragment is an incomplete sentence. Some fragments are incomplete because they lack either a subject or a verb, or both. The fragments that most students have trouble with, however, are dependent clauses—they have a subject and a verb, so they look like complete sentences, but they don't express a complete thought.

Difference Between Sentence Fragment and Run On. November 3, 2018 Posted by Hasa. The key difference between sentence fragment and run on is that a sentence fragment is a string of words that cannot form a complete thought on its own while a run on sentence is a sentence that is missing the right punctuation to make the sentence flow properly. Sentence fragments and run on sentences are two of the most common errors most of us make in our writing.
