This fourth edition of Merry E. Wiesner-Hanks's prize-winning survey features significant changes to every chapter, designed to reflect the newest scholarship. Global issues have been threaded throughout the book, while still preserving the clear thematic structure of previous editions. Thus readers will find expanded discussions of gendered racial hierarchies, migration, missionaries, and consumer goods.

Women and gender early modern europe 4th edition ...

The fourth edition of Gender and Elections offers a systematic, lively, multi-faceted account of the role of gender in the electoral process through the 2016 elections. This timely, yet enduring, volume strikes a balance between highlighting the most important development for women as voters and candidates in the 2016 elections and providing a more long-term, in-depth analysis of the ways in which gender has helped shape the contours and outcomes of electoral politics in the United States.

Gender and Elections edited by Susan J. Carroll
